\* State school level drop out data was collected from the State administering agencies (Education/Agriculture) to reflect the status as of June 30th.

Data are subject to frequent changes and USDA will periodically be in contact with the State agencies to update information as needed. Contact the State Agencies for more current information. Schools dropping out include private, public, and Residential Child Care Institutions sites.

\*\*US number of schools reflect FY2012 and does not include American Samoa, Outlying areas, and DOD sites.
