Child Care Providers, please fill out the following:

At our child care site, we offer _____ type of iron-fortified infant formula.

What infant formula would you like us to serve your baby? Please answer below.

- Please give my baby the infant formula you have at the child care site.
- I will provide breastmilk. Please *do not* give my baby the infant formula you have at the child care site.
- My baby has a disability and needs a special infant formula.

Thank you for letting us know! We will be reaching out to you for more information about your baby's disability.

- My baby does not have a disability, but I want to provide different infant formula than the one you have at the child care site. Please *do not* give my baby the infant formula you have at the child care site.

Thank you for letting us know! Since we participate in the Child and Adult Care Food Program (CACFP), the infant formula served in our site and the one you provide must be iron-fortified.

To tell if a formula is iron-fortified, look for "Infant Formula With Iron," or a similar statement on the front of the formula package. It must also be purchased in the United States.
