Julie Mikkelsen  
SNAP Director  
U.S. Food and Nutrition Service  
77 West Jackson Street, 20th Floor  
Chicago, IL  60604-3501

Dear Ms. Mikkelsen:

In an effort to aid individuals of Illinois during the Coronavirus disease (COVID-19), we are submitting a waiver request to apply Good Cause to students enrolled at least half-time in institutions of higher education who currently do not meet exemption requirements for students.

The Supplemental Nutrition Assistance Program (SNAP) requires at 7 CFR 273.5(a), 273.5(b) an individual who is enrolled at least half-time in an institution of higher education to be ineligible to participate in the SNAP program unless they qualify for an exemption.

This waiver would allow the State agency to grant Good Cause to students enrolled at least half-time in an institution of higher education who cannot meet student exemptions now due to the COVID-19 crisis which has caused college/university closures, lack of employment and job training resources.

If you need additional information, please contact Leslie.k.cully@illinois.gov 217/785-3294.

Sincerely,

Grace B. Hou, Secretary  
Illinois Department of Human Services

A State agency that chooses to average student work hours must specify this choice and specify the time period over which the work hours will be averaged in its State plan of operation;

i) To qualify under this provision, the student must be approved for work study at the time of application for SNAP benefits, the work study must be approved for the school term, and the student must anticipate actually working during that time. The exemption shall begin with the month in which the school term begins or the month work study is approved, whichever is later. Once begun, the exemption shall continue until the end of the month in which the school term ends, or it becomes known that the student has refused an assignment.

ii) The exemption shall not continue between terms when there is a break of a full month or longer unless the student is participating in work study during the break.
