Good Morning, Gavino and Karmela –

Attached please find the denial letter for the Sept. 2020 request to extend the Tiered waivers. It was denied due to the lack of a COVID-19 emergency declaration that extends into September. The current authorization from the Governor expires on August 28.

If a declaration covering any part of September can be submitted at a later date, we will reconsider the request at that time. If the declaration is extended, please let us know as soon as possible and forward a copy to us.

Please acknowledge receipt of this information.

Thanks.

Anne
