SUBJECT: Pandemic Electronic Benefits Transfer Program (P-EBT)  
Approval of New Mexico's State Plan Amendment

TO: Bill Ludwig  
Regional Administrator  
Southwest Regional Office

The Families First Coronavirus Response Act (P.L. 116-127) (FFCRA or the Act) authorized a temporary assistance program for households with children affected by school closures during the public health emergency declared on January 27, 2020. On March 20, USDA's Food and Nutrition Service (FNS) announced and began accepting State plans for the Pandemic Electronic Benefits Transfer (P-EBT) program. Pursuant to the authority granted under Section 1101 of the Act, FNS approved New Mexico's plan to operate P-EBT for school year 2019-2020 on April 28.

On September 16, New Mexico submitted an amendment to operate P-EBT in school year 2020-2021 through the September 30 expiration of the program.

FNS approves New Mexico's P-EBT plan amendment. The State estimates that it will issue \$45.25 million in P-EBT benefits for the start of school year 2020-2021 through September to 243,661 children. The State agency must notify the FNS Regional Office immediately if it is preparing to issue an amount for the start of school year 2020-2021 different than the estimate in this plan.

New Mexico understands that the State must issue all P-EBT benefits by September 30.

FNS reminds New Mexico of the importance of accurate reporting of P-EBT benefits on forms FNS-292B, FNS-46, and FNS-388. Please refer to FNS's [April 27 memo on P-EBT reporting](#), and do not hesitate to contact your Regional Office if you have any questions.

Sincerely,
