### DECLARATION OF POLICY

SEC. 2. [7 U.S.C. 2011] It is hereby declared to be the policy of Congress, in order to promote the general welfare, to safeguard

<sup>1</sup>This table of contents is not part of the Act but is included for user convenience. The numbers in brackets refer to section numbers in title 7, United States Code.

<sup>2</sup>Sec. 4407 of the Food, Conservation, and Energy Act of 2008 (P.L. 110–246; 122 Stat. 1903) provided: “Except as otherwise provided in this title, this title and the amendments made by this title take effect on October 1, 2008.”

the health and well-being of the Nation's population by raising levels of nutrition among low-income households. Congress hereby finds that the limited food purchasing power of low-income households contributes to hunger and malnutrition among members of such households. Congress further finds that increased utilization of food in establishing and maintaining adequate national levels of nutrition will promote the distribution in a beneficial manner of the Nation's agricultural abundance and will strengthen the Nation's agricultural economy, as well as result in more orderly marketing and distribution of foods. To alleviate such hunger and malnutrition, a supplemental nutrition assistance program is herein authorized which will permit low-income households to obtain a more nutritious diet through normal channels of trade by increasing food purchasing power for all eligible households who apply for participation.

(B) was not received immediately prior to serving in a combat zone.

(e) DEDUCTIONS FROM INCOME.—

(1) STANDARD DEDUCTION.—

(A) IN GENERAL.—

(i) DEDUCTION.—The Secretary shall allow a standard deduction for each household in the 48 contiguous States and the District of Columbia, Alaska, Hawaii, and the Virgin Islands of the United States in an amount that is—

(I) equal to 8.31 percent of the income standard of eligibility established under subsection (c)(1); but

(II) not more than 8.31 percent of the income standard of eligibility established under subsection (c)(1) for a household of 6 members.

(ii) MINIMUM AMOUNT.—Notwithstanding clause (i), the standard deduction for each household in the 48 contiguous States and the District of Columbia, Alaska, Hawaii, and the Virgin Islands of the United States shall be not less than—

(I) for fiscal year 2009, \$144, \$246, \$203, and \$127, respectively; and

(II) for fiscal year 2010 and each fiscal year thereafter, an amount that is equal to the amount

from the previous fiscal year adjusted to the nearest lower dollar increment to reflect changes for the 12-month period ending on the preceding June 30 in the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics of the Department of Labor, for items other than food.

(B) GUAM.—

(i) IN GENERAL.—The Secretary shall allow a standard deduction for each household in Guam in an amount that is—

(I) equal to 8.31 percent of twice the income standard of eligibility established under subsection (c)(1) for the 48 contiguous States and the District of Columbia; but

(II) not more than 8.31 percent of twice the income standard of eligibility established under subsection (c)(1) for the 48 contiguous States and the District of Columbia for a household of 6 members.

(ii) MINIMUM AMOUNT.—Notwithstanding clause (i), the standard deduction for each household in Guam shall be not less than—

(I) for fiscal year 2009, \$289; and

(II) for fiscal year 2010 and each fiscal year thereafter, an amount that is equal to the amount from the previous fiscal year adjusted to the nearest lower dollar increment to reflect changes for the 12-month period ending on the preceding June 30 in the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics of the Department of Labor, for items other than food.

(C) REQUIREMENT.—Each adjustment under subparagraphs (A)(ii)(II) and (B)(ii)(II) shall be based on the unrounded amount for the prior 12-month period.

(2) EARNED INCOME DEDUCTION.—

(A) DEFINITION OF EARNED INCOME.—In this paragraph, the term “earned income” does not include—

(i) income excluded by subsection (d); or

(ii) any portion of income earned under a work supplementation or support program, as defined under section 16(b), that is attributable to public assistance.

(B) DEDUCTION.—Except as provided in subparagraph (C), a household with earned income shall be allowed a deduction of 20 percent of all earned income to compensate for taxes, other mandatory deductions from salary, and work expenses.

(C) EXCEPTION.—The deduction described in subparagraph (B) shall not be allowed with respect to determining an overissuance due to the failure of a household to report earned income in a timely manner.

(3) DEPENDENT CARE DEDUCTION.—

(A) IN GENERAL.—A household shall be entitled, with respect to expenses (other than excluded expenses described in subparagraph (B)) for dependent care, to a dependent care deduction for the actual cost of payments necessary for the care of a dependent if the care enables a household member to accept or continue employment, or training or education that is preparatory for employment.

(B) EXCLUDED EXPENSES.—The excluded expenses referred to in subparagraph (A) are—

(i) expenses paid on behalf of the household by a third party;

(ii) amounts made available and excluded, for the expenses referred to in subparagraph (A), under subsection (d)(3); and

(iii) expenses that are paid under section 6(d)(4) or a pilot project under section 16(h)(1)(F).

(4) DEDUCTION FOR CHILD SUPPORT PAYMENTS.—

(A) IN GENERAL.—In lieu of providing an exclusion for legally obligated child support payments made by a household member under subsection (d)(6), a State agency may elect to provide a deduction for the amount of the payments.

(B) ORDER OF DETERMINING DEDUCTIONS.—A deduction under this paragraph shall be determined before the computation of the excess shelter expense deduction under paragraph (6).

(5) EXCESS MEDICAL EXPENSE DEDUCTION.—

(A) IN GENERAL.—A household containing an elderly or disabled member shall be entitled, with respect to expenses other than expenses paid on behalf of the household by a third party, to an excess medical expense deduction for the portion of the actual costs of allowable medical expenses, incurred by the elderly or disabled member, exclusive of special diets, that exceeds \$35 per month.

(B) METHOD OF CLAIMING DEDUCTION.—

(i) IN GENERAL.—A State agency shall offer an eligible household under subparagraph (A) a method of claiming a deduction for recurring medical expenses that are initially verified under the excess medical expense deduction in lieu of submitting information on, or verification of, actual expenses on a monthly basis.

(ii) METHOD.—The method described in clause (i) shall—

(I) be designed to minimize the burden for the eligible elderly or disabled household member choosing to deduct the recurrent medical expenses of the member pursuant to the method;

(II) rely on reasonable estimates of the expected medical expenses of the member for the certification period (including changes that can be reasonably anticipated based on available information about the medical condition of the member, public or private medical insurance coverage,

and the current verified medical expenses incurred by the member); and

(III) not require further reporting or verification of a change in medical expenses if such a change has been anticipated for the certification period.

(C) EXCLUSION OF MEDICAL MARIJUANA.—The Secretary shall promulgate rules to ensure that medical marijuana is not treated as a medical expense for purposes of this paragraph.

(6) EXCESS SHELTER EXPENSE DEDUCTION.—

(A) IN GENERAL.—A household shall be entitled, with respect to expenses other than expenses paid on behalf of the household by a third party, to an excess shelter expense deduction to the extent that the monthly amount expended by a household for shelter exceeds an amount equal to 50 percent of monthly household income after all other applicable deductions have been allowed.

(B) MAXIMUM AMOUNT OF DEDUCTION.—In the case of a household that does not contain an elderly or disabled individual, in the 48 contiguous States and the District of Columbia, Alaska, Hawaii, Guam, and the Virgin Islands of the United States, the excess shelter expense deduction shall not exceed—

(i) for the period beginning on the date of enactment of this subparagraph [August 22, 1996] and ending on December 31, 1996, \$247, \$429, \$353, \$300, and \$182 per month, respectively;

(ii) for the period beginning on January 1, 1997, and ending on September 30, 1998, \$250, \$434, \$357, \$304, and \$184 per month, respectively;

(iii) for fiscal year 1999, \$275, \$478, \$393, \$334, and \$203 per month, respectively;

(iv) for fiscal year 2000, \$280, \$483, \$398, \$339, and \$208 per month, respectively;

(v) for fiscal year 2001, \$340, \$543, \$458, \$399, and \$268 per month, respectively; and

(vi) for fiscal year 2002 and each subsequent fiscal year, the applicable amount during the preceding fiscal year, as adjusted to reflect changes for the 12-month period ending the preceding November 30 in the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics of the Department of Labor.

(C) STANDARD UTILITY ALLOWANCE.—

(i) IN GENERAL.—In computing the excess shelter expense deduction, a State agency may use a standard utility allowance in accordance with regulations promulgated by the Secretary, subject to clause (iv), except that a State agency may use an allowance that does not fluctuate within a year to reflect seasonal variations.

(ii) RESTRICTIONS ON HEATING AND COOLING EXPENSES.—An allowance for a heating or cooling ex-

pense may not be used in the case of a household that—

(I) does not incur a heating or cooling expense, as the case may be;

(II) does incur a heating or cooling expense but is located in a public housing unit that has central utility meters and charges households, with regard to the expense, only for excess utility costs; or

(III) shares the expense with, and lives with, another individual not participating in the supplemental nutrition assistance program, another household participating in the supplemental nutrition assistance program, or both, unless the allowance is prorated between the household and the other individual, household, or both.

(iii) MANDATORY ALLOWANCE.—

(I) IN GENERAL.—A State agency may make the use of a standard utility allowance mandatory for all households with qualifying utility costs if—

(aa) the State agency has developed 1 or more standards that include the cost of heating and cooling and 1 or more standards that do not include the cost of heating and cooling; and

(bb) the Secretary finds (without regard to subclause (III)) that the standards will not result in an increased cost to the Secretary.

(II) HOUSEHOLD ELECTION.—A State agency that has not made the use of a standard utility allowance mandatory under subclause (I) shall allow a household to switch, at the end of a certification period, between the standard utility allowance and a deduction based on the actual utility costs of the household.

(III) INAPPLICABILITY OF CERTAIN RESTRICTIONS.—Clauses (ii)(II) and (ii)(III) shall not apply in the case of a State agency that has made the use of a standard utility allowance mandatory under subclause (I).

(iv) AVAILABILITY OF ALLOWANCE TO RECIPIENTS OF ENERGY ASSISTANCE.—

(I) IN GENERAL.—Subject to subclause (II), if a State agency elects to use a standard utility allowance that reflects heating and cooling costs, the standard utility allowance shall be made available to households that received a payment, or on behalf of which a payment was made, under the Low-Income Home Energy Assistance Act of 1981 (42 U.S.C. 8621 et seq.) or other similar energy assistance program, if in the current month or in the immediately preceding 12 months, the household either received such a payment, or such a payment was made on behalf of the household,

that was greater than \$20 annually, as determined by the Secretary.

(II) SEPARATE ALLOWANCE.—A State agency may use a separate standard utility allowance for households on behalf of which a payment described in subclause (I) is made, but may not be required to do so.

(III) STATES NOT ELECTING TO USE SEPARATE ALLOWANCE.—A State agency that does not elect to use a separate allowance but makes a single standard utility allowance available to households incurring heating or cooling expenses (other than a household described in subclause (I) or (II) of clause (ii)) may not be required to reduce the allowance due to the provision (directly or indirectly) of assistance under the Low-Income Home Energy Assistance Act of 1981 (42 U.S.C. 8621 et seq.).

(IV) PRORATION OF ASSISTANCE.—For the purpose of the supplemental nutrition assistance program, assistance provided under the Low-Income Home Energy Assistance Act of 1981 (42 U.S.C. 8621 et seq.) shall be considered to be prorated over the entire heating or cooling season for which the assistance was provided.

(D) HOMELESS HOUSEHOLDS.—

(i) ALTERNATIVE DEDUCTION.—In lieu of the deduction provided under subparagraph (A), a State agency may elect to allow a household in which all members are homeless individuals, but that is not receiving free shelter throughout the month, to receive a deduction of \$143 per month.

(ii) INELIGIBILITY.—The State agency may make a household with extremely low shelter costs ineligible for the alternative deduction under clause (i).

(f)(1)(A) Household income for those households that, by contract for other than an hourly or piecework basis or by self-employment, derive their annual income in a period of time shorter than one year shall be calculated by averaging such income over a twelve-month period. Notwithstanding the preceding sentence, household income resulting from the self-employment of a member in a farming operation, who derives income from such farming operation and who has irregular expenses to produce such income, may, at the option of the household, be calculated by averaging such income and expenses over a 12-month period. Notwithstanding the first sentence, if the averaged amount does not accurately reflect the household's actual monthly circumstances because the household has experienced a substantial increase or decrease in business earnings, the State agency shall calculate the self-employment income based on anticipated earnings.

(B) Household income for those households that receive non-excluded income of the type described in subsection (d)(3) of this section shall be calculated by averaging such income over the period for which it is received.

## (C) SIMPLIFIED DETERMINATION OF DEDUCTIONS.—

(i) IN GENERAL.—Except as provided in clause (ii), for the purposes of subsection (e), a State agency may elect to disregard until the next recertification of eligibility under section 11(e)(4) 1 or more types of changes in the circumstances of a household that affect the amount of deductions the household may claim under subsection (e).

## (ii) CHANGES THAT MAY NOT BE DISREGARDED.—

Under clause (i), a State agency may not disregard—

(I) any reported change of residence; or

(II) under standards prescribed by the Secretary, any change in earned income.

(2)(A) Except as provided in subparagraphs (B), (C), and (D), households shall have their incomes calculated on a prospective basis, as provided in paragraph (3)(A), or, at the option of the State agency, on a retrospective basis, as provided in paragraph (3)(B).

(B) In the case of the first month, or at the option of the State, the first and second months, during a continuous period in which a household is certified, the State agency shall determine eligibility and the amount of benefits on the basis of the household's income and other relevant circumstances in such first or second month.

(C) Households specified in clauses (i), (ii), and (iii) of section 6(c)(1)(A) shall have their income calculated on a prospective basis, as provided in paragraph (3)(A).

(D) Except as provided in subparagraph (B), households required to submit monthly reports of their income and household circumstances under section 6(c)(1) shall have their income calculated on a retrospective basis, as provided in paragraph (3)(B).

(3)(A) Calculation of household income on a prospective basis is the calculation of income on the basis of the income reasonably anticipated to be received by the household during the period for which eligibility or benefits are being determined. Such calculation shall be made in accordance with regulations prescribed by the Secretary which shall provide for taking into account both the income reasonably anticipated to be received by the household during the period for which eligibility or benefits are being determined and the income received by the household during the preceding thirty days.

(B) Calculation of household income on a retrospective basis is the calculation of income for the period for which eligibility or benefits are being determined on the basis of income received in a previous period. Such calculation shall be made in accordance with regulations prescribed by the Secretary which may provide for the determination of eligibility on a prospective basis in some or all cases in which benefits are calculated under this paragraph. Such regulations shall provide for supplementing the initial allotments of newly applying households in those cases in which the determination of income under this paragraph causes serious hardship.

(4) In promulgating regulations under this subsection, the Secretary shall consult with the Secretary of Health and Human Services in order to assure that, to the extent feasible and consistent with the purposes of this Act and the Social Security Act [(42 U.S.C. 301 et seq.)], the income of households receiving benefits

under this Act and title IV–A of the Social Security Act [(42 U.S.C. 601 et seq.)] is calculated on a comparable basis under the two Acts. The Secretary is authorized, upon the request of a State agency, to waive any of the provisions of this subsection (except the provisions of paragraph (2)(A)) to the extent necessary to permit the State agency to calculate income for purposes of this Act on the same basis that income is calculated under title IV–A of the Social Security Act [(42 U.S.C. 601 et seq.)] in that State.

(g) ALLOWABLE FINANCIAL RESOURCES.—

(1) TOTAL AMOUNT.—

(A) IN GENERAL.—The Secretary shall prescribe the types and allowable amounts of financial resources (liquid and nonliquid assets) an eligible household may own, and shall, in so doing, assure that a household otherwise eligible to participate in the supplemental nutrition assistance program will not be eligible to participate if its resources exceed \$2,000 (as adjusted in accordance with subparagraph (B)), or, in the case of a household which consists of or includes an elderly or disabled member, if its resources exceed \$3,000 (as adjusted in accordance with subparagraph (B)).

(B) ADJUSTMENT FOR INFLATION.—

(i) IN GENERAL.—Beginning on October 1, 2008, and each October 1 thereafter, the amounts specified in subparagraph (A) shall be adjusted and rounded down to the nearest \$250 increment to reflect changes for the 12-month period ending the preceding June in the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics of the Department of Labor.

(ii) REQUIREMENT.—Each adjustment under clause (i) shall be based on the unrounded amount for the prior 12-month period.

(2) INCLUDED ASSETS.—

(A) IN GENERAL.—Subject to the other provisions of this paragraph, the Secretary shall, in prescribing inclusions in, and exclusions from, financial resources, follow the regulations in force as of June 1, 1982 (other than those relating to licensed vehicles and inaccessible resources).

(B) ADDITIONAL INCLUDED ASSETS.—The Secretary shall include in financial resources—

(i) any boat, snowmobile, or airplane used for recreational purposes;

(ii) any vacation home;

(iii) any mobile home used primarily for vacation purposes;

(iv) subject to subparagraphs (C) and (D), any licensed vehicle that is used for household transportation or to obtain or continue employment to the extent that the fair market value of the vehicle exceeds \$4,650;

(v) any savings account, regardless of whether there is a penalty for early withdrawal.

(C) EXCLUDED VEHICLES.—A vehicle (and any other property, real or personal, to the extent the property is directly related to the maintenance or use of the vehicle) shall not be included in financial resources under this paragraph if the vehicle is—

- (i) used to produce earned income;
- (ii) necessary for the transportation of a physically disabled household member; or
- (iii) depended on by a household to carry fuel for heating or water for home use and provides the primary source of fuel or water, respectively, for the household.

(D) ALTERNATIVE VEHICLE ALLOWANCE.—If the vehicle allowance standards that a State agency uses to determine eligibility for assistance under the State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) would result in a lower attribution of resources to certain households than under subparagraph (B)(iv), in lieu of applying subparagraph (B)(iv), the State agency may elect to apply the State vehicle allowance standards to all households that would incur a lower attribution of resources under the State vehicle allowance standards.

(3) The Secretary shall exclude from financial resources the value of a burial plot for each member of a household and non-liquid resources necessary to allow the household to carry out a plan for self-sufficiency approved by the State agency that constitutes adequate participation in an employment and training program under section 6(d) or a pilot project under section 16(h)(1)(F). The Secretary shall also exclude from financial resources any earned income tax credits received by any member of the household for a period of 12 months from receipt if such member was participating in the supplemental nutrition assistance program at the time the credits were received and participated in such program continuously during the 12-month period.<sup>5</sup>

(4) In the case of farm property (including land, equipment, and supplies) that is essential to the self-employment of a household member in a farming operation, the Secretary shall exclude from financial resources the value of such property until the expiration of the 1-year period beginning on the date such member ceases to be self-employed in farming.

(5) The Secretary shall promulgate rules by which State agencies shall develop standards for identifying kinds of resources that, as a practical matter, the household is unlikely to be able to sell for any significant return because the household's interest is relatively slight or because the cost of selling the household's interest would be relatively great. Resources so identified shall be excluded as inaccessible resources. A resource shall be so identified if its sale or other disposition is unlikely to produce any significant amount of funds for the support of the household. The Secretary shall not

<sup>5</sup> Effective September 1, 1994, section 13913 of the Mickey Leland Childhood Hunger Relief Act (P.L. 103-66; 107 Stat. 673) amended section 5(g)(3) by adding this sentence. Section 13913 of such Act added the new sentence as a flush left margin sentence, but the amendment was added as a run-on sentence to effectuate the probable intent of Congress.

require the State agency to require verification of the value of a resource to be excluded under this paragraph unless the State agency determines that the information provided by the household is questionable.

(6) EXCLUSION OF TYPES OF FINANCIAL RESOURCES NOT CONSIDERED UNDER CERTAIN OTHER FEDERAL PROGRAMS.—

(A) IN GENERAL.—Subject to subparagraph (B), a State agency may, at the option of the State agency, exclude from financial resources under this subsection any types of financial resources that the State agency does not consider when determining eligibility for—

(i) cash assistance under a program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.); or

(ii) medical assistance under section 1931 of the Social Security Act (42 U.S.C. 1396u-1).

(B) LIMITATIONS.—Except to the extent that any of the types of resources specified in clauses (i) through (iv) are excluded under another paragraph of this subsection, subparagraph (A) does not authorize a State agency to exclude—

(i) cash;

(ii) licensed vehicles;

(iii) amounts in any account in a financial institution that are readily available to the household; or

(iv) any other similar type of resource the inclusion in financial resources of which the Secretary determines by regulation to be essential to equitable determinations of eligibility under the supplemental nutrition assistance program.

(7) EXCLUSION OF RETIREMENT ACCOUNTS FROM ALLOWABLE FINANCIAL RESOURCES.—

(A) MANDATORY EXCLUSIONS.—The Secretary shall exclude from financial resources under this subsection the value of—

(i) any funds in a plan, contract, or account, described in sections 401(a), 403(a), 403(b), 408, 408A, 457(b), and 501(c)(18) of the Internal Revenue Code of 1986 and the value of funds in a Federal Thrift Savings Plan account as provided in section 8439 of title 5, United States Code; and

(ii) any retirement program or account included in any successor or similar provision that may be enacted and determined to be exempt from tax under the Internal Revenue Code of 1986.

(B) DISCRETIONARY EXCLUSIONS.—The Secretary may exclude from financial resources under this subsection the value of any other retirement plans, contracts, or accounts (as determined by the Secretary).

(8) EXCLUSION OF EDUCATION ACCOUNTS FROM ALLOWABLE FINANCIAL RESOURCES.—

(A) MANDATORY EXCLUSIONS.—The Secretary shall exclude from financial resources under this subsection the value of any funds in a qualified tuition program described

in section 529 of the Internal Revenue Code of 1986 or in a Coverdell education savings account under section 530 of that Code.

(B) DISCRETIONARY EXCLUSIONS.—The Secretary may exclude from financial resources under this subsection the value of any other education programs, contracts, or accounts (as determined by the Secretary).

(h)(1) The Secretary shall, after consultation with the official empowered to exercise the authority provided for by sections 402 and 502 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.), establish temporary emergency standards of eligibility for the duration of the emergency for households who are victims of a disaster which disrupts commercial channels of food distribution, if such households are in need of temporary food assistance and if commercial channels of food distribution have again become available to meet the temporary food needs of such households. Such standards as are prescribed for individual emergencies may be promulgated without regard to section 4(c) of this Act or the procedures set forth in section 553 of title 5 of the United States Code.

(2) The Secretary shall—

(A) establish a Disaster Task Force to assist States in implementing and operating the disaster program and the regular supplemental nutrition assistance program in the disaster area; and

(B) if the Secretary, in the Secretary's discretion, determines that it is cost-effective to send members of the Task Force to the disaster area, the Secretary shall send them to such area as soon as possible after the disaster occurs to provide direct assistance to State and local officials.

(3)(A) The Secretary shall provide, by regulation, for emergency allotments to eligible households to replace food destroyed in a disaster. The regulations shall provide for replacement of the value of food actually lost up to a limit approved by the Secretary not greater than the applicable maximum monthly allotment for the household size.

(B) The Secretary shall adjust issuance methods and reporting and other application requirements to be consistent with what is practicable under actual conditions in the affected area. In making this adjustment, the Secretary shall consider the availability of the State agency's offices and personnel, any conditions that make reliance on electronic benefit transfer systems described in section 7(h) impracticable, and any damage to or disruption of transportation and communication facilities.

(i)(1) For purposes of determining eligibility for and the amount of benefits under this Act for an individual who is an alien as described in section 6(f)(2)(B) of this Act, the income and resources of any person who as a sponsor of such individual's entry into the United States executed an affidavit of support or similar agreement with respect to such individual, and the income and resources of the sponsor's spouse if such spouse is living with the sponsor, shall be deemed to be the income and resources of such individual for a period of three years after the individual's entry into the United States. Any such income deemed to be income of

such individual shall be treated as unearned income of such individual.

(2)(A) The amount of income of a sponsor, and the sponsor's spouse if living with the sponsor, which shall be deemed to be the unearned income of an alien for any year shall be determined as follows:

(i) the total yearly rate of earned and unearned income of such sponsor, and such sponsor's spouse if such spouse is living with the sponsor, shall be determined for such year under rules prescribed by the Secretary;

(ii) the amount determined under clause (i) of this subparagraph shall be reduced by an amount equal to the income eligibility standard as determined under section 5(c) of this Act for a household equal in size to the sponsor, the sponsor's spouse if living with the sponsor, and any persons dependent upon or receiving support from the sponsor or the sponsor's spouse if the spouse is living with the sponsor; and

(iii) the monthly income attributed to such alien shall be one-twelfth of the amount calculated under clause (ii) of this subparagraph.

(B) The amount of resources of a sponsor, and the sponsor's spouse if living with the sponsor, which shall be deemed to be the resources of an alien for any year shall be determined as follows:

(i) the total amount of the resources of such sponsor and such sponsor's spouse if such spouse is living with the sponsor shall be determined under rules prescribed by the Secretary;

(ii) the amount determined under clause (i) of this subparagraph shall be reduced by \$1,500; and

(iii) the resources determined under clause (ii) of this subparagraph shall be deemed to be resources of such alien in addition to any resources of such alien.

(C)(i) Any individual who is an alien shall, during the period of three years after entry into the United States, in order to be an eligible individual or eligible spouse for purposes of this Act, be required to provide to the State agency such information and documentation with respect to the alien's sponsor and sponsor's spouse as may be necessary in order for the State agency to make any determination required under this section, and to obtain any cooperation from such sponsor necessary for any such determination. Such alien shall also be required to provide such information and documentation which such alien or the sponsor provided in support of such alien's immigration application as the State agency may request.

(ii) The Secretary shall enter into agreements with the Secretary of State and the Attorney General whereby any information available to such persons and required in order to make any determination under this section will be provided by such persons to the Secretary, and whereby such persons shall inform any sponsor of an alien, at the time such sponsor executes an affidavit of support or similar agreement, of the requirements imposed by this section.

(D) Any sponsor of an alien, and such alien, shall be jointly and severally liable for an amount equal to any overpayment made to such alien during the period of three years after such alien's entry into the United States, on account of such sponsor's failure

to provide correct information under the provisions of this section, except where such sponsor was without fault, or where good cause for such failure existed. Any such overpayment which is not repaid shall be recovered in accordance with the provisions of section 13(b) of this Act.

(E) The provisions of this subsection shall not apply with respect to any alien who is a member of the sponsor's household or to any alien who is under 18 years of age.

(j) Notwithstanding subsections (a) through (i), a State agency shall consider a household member who receives supplemental security income benefits under title XVI of the Social Security Act (42 U.S.C. 1382 et seq.), aid to the aged, blind, or disabled under title I, II, X, XIV, or XVI of such Act (42 U.S.C. 301 et seq.), or who receives benefits under a State program funded under part A of title IV of the Act (42 U.S.C. 601 et seq.) to have satisfied the resource limitations prescribed under subsection (g).

(k)(1) For purposes of subsection (d)(1), except as provided in paragraph (2), assistance provided to a third party on behalf of a household by a State or local government shall be considered money payable directly to the household if the assistance is provided in lieu of—

(A) a regular benefit payable to the household for living expenses under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.); or

(B) a benefit payable to the household for housing expenses under—

(i) a State or local general assistance program; or

(ii) another basic assistance program comparable to general assistance (as determined by the Secretary).

(2) Paragraph (1) shall not apply to—

(A) medical assistance;

(B) child care assistance;

(C) a payment or allowance described in subsection (d)(11);

(D) assistance provided by a State or local housing authority;

(E) emergency assistance for migrant or seasonal farmworker households during the period such households are in the job stream;

(F) emergency and special assistance, to the extent excluded in regulations prescribed by the Secretary; or

(G) assistance provided to a third party on behalf of a household under a State or local general assistance program, or another local basic assistance program comparable to general assistance (as determined by the Secretary), if, under State law, no assistance under the program may be provided directly to the household in the form of a cash payment.

(3) For purposes of subsection (d)(1), educational loans on which payment is deferred, grants, scholarships, fellowships, veterans' educational benefits, and the like that are provided to a third party on behalf of a household for living expenses shall be treated as money payable directly to the household.

(4) THIRD PARTY ENERGY ASSISTANCE PAYMENTS.—

(A) ENERGY ASSISTANCE PAYMENTS.—For purposes of subsection (d)(1), a payment made under a State law

(other than a law referred to in paragraph (2)(G)) to provide energy assistance to a household shall be considered money payable directly to the household.

(B) ENERGY ASSISTANCE EXPENSES.—For purposes of subsection (e)(6), an expense paid on behalf of a household under a State law to provide energy assistance shall be considered an out-of-pocket expense incurred and paid by the household.

(l) Notwithstanding section 181(a)(2) of the Workforce Innovation and Opportunity Act, earnings to individuals participating in on-the-job training under title I of such Act shall be considered earned income for purposes of the supplemental nutrition assistance program, except for dependents less than 19 years of age.

(m) SIMPLIFIED CALCULATION OF INCOME FOR THE SELF-EMPLOYED.—

(1) IN GENERAL.—Not later than 1 year after the date of enactment of this subsection [August 22, 1996], the Secretary shall establish a procedure by which a State may submit a method, designed to not increase Federal costs, for the approval of the Secretary, that the Secretary determines will produce a reasonable estimate of income excluded under subsection (d)(9) in lieu of calculating the actual cost of producing self-employment income.

(2) INCLUSIVE OF ALL TYPES OF INCOME OR LIMITED TYPES OF INCOME.—The method submitted by a State under paragraph (1) may allow a State to estimate income for all types of self-employment income or may be limited to 1 or more types of self-employment income.

(3) DIFFERENCES FOR DIFFERENT TYPES OF INCOME.—The method submitted by a State under paragraph (1) may differ for different types of self-employment income.

(n) STATE OPTIONS TO SIMPLIFY DETERMINATION OF CHILD SUPPORT PAYMENTS.—Regardless of whether a State agency elects to provide a deduction under subsection (e)(4), the Secretary shall establish simplified procedures to allow State agencies, at the option of the State agencies, to determine the amount of any legally obligated child support payments made, including procedures to allow the State agency to rely on information from the agency responsible for implementing the program under part D of title IV of the Social Security Act (42 U.S.C. 651 et seq.) concerning payments made in prior months in lieu of obtaining current information from the households.

#### ELIGIBILITY DISQUALIFICATIONS

SEC. 6. [7 U.S.C. 2015] (a) In addition to meeting the standards of eligibility prescribed in section 5 of this Act, households and individuals who are members of eligible households must also meet and comply with the specific requirements of this section to be eligible for participation in the supplemental nutrition assistance program.

(b)(1) Any person who has been found by any State or Federal court or administrative agency to have intentionally (A) made a false or misleading statement, or misrepresented, concealed or withheld facts, or (B) committed any act that constitutes a violation

of this Act, the regulations issued thereunder, or any State statute, for the purpose of using, presenting, transferring, acquiring, receiving, or possessing program benefits shall, immediately upon the rendering of such determination, become ineligible for further participation in the program—

(i) for a period of 1 year upon the first occasion of any such determination;

(ii) for a period of 2 years upon—

(I) the second occasion of any such determination; or

(II) the first occasion of a finding by a Federal, State, or local court of the trading of a controlled substance (as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802)) for benefits; and

(iii) permanently upon—

(I) the third occasion of any such determination;

(II) the second occasion of a finding by a Federal, State, or local court of the trading of a controlled substance (as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802)) for benefits;

(III) the first occasion of a finding by a Federal, State, or local court of the trading of firearms, ammunition, or explosives for benefits; or

(IV) a conviction of an offense under subsection (b) or (c) of section 15 involving an item covered by subsection (b) or (c) of section 15 having a value of \$500 or more.

During the period of such ineligibility, no household shall receive increased benefits under this Act as the result of a member of such household having been disqualified under this subsection.

(2) Each State agency shall proceed against an individual alleged to have engaged in such activity either by way of administrative hearings, after notice and an opportunity for a hearing at the State level, or by referring such matters to appropriate authorities for civil or criminal action in a court of law.

(3) Such periods of ineligibility as are provided for in paragraph (1) of this subsection shall remain in effect, without possibility of administrative stay, unless and until the finding upon which the ineligibility is based is subsequently reversed by a court of appropriate jurisdiction, but in no event shall the period of ineligibility be subject to review.

(4) The Secretary shall prescribe such regulations as the Secretary may deem appropriate to ensure that information concerning any such determination with respect to a specific individual is forwarded to the Office of the Secretary by any appropriate State or Federal entity for the use of the Secretary in administering the provisions of this section. No State shall withhold such information from the Secretary or the Secretary's designee for any reason whatsoever.

(c) Except in a case in which a household is receiving transitional benefits during the transitional benefits period under section 11(s), no household shall be eligible to participate in the supplemental nutrition assistance program if it refuses to cooperate in providing information to the State agency that is necessary for making a determination of its eligibility or for completing any subsequent review of its eligibility.

(1)(A) A State agency may require certain categories of households to file periodic reports of income and household circumstances in accordance with standards prescribed by the Secretary, except that a State agency may not require periodic reporting—

(i) for periods shorter than 4 months by migrant or seasonal farmworker households;

(ii) for periods shorter than 4 months by households in which all members are homeless individuals; or

(iii) for periods shorter than 1 year by households that have no earned income and in which all adult members are elderly or disabled.

(B) Each household that is not required to file such periodic reports shall be required to report or cause to be reported to the State agency changes in income or household circumstances that the Secretary considers necessary to assure accurate eligibility and benefit determinations.

(C) A State agency may require periodic reporting on a monthly basis by households residing on a reservation only if—

(i) the State agency reinstates benefits, without requiring a new application, for any household residing on a reservation that submits a report not later than 1 month after the end of the month in which benefits would otherwise be provided;

(ii) the State agency does not delay, reduce, suspend, or terminate the allotment of a household that submits a report not later than 1 month after the end of the month in which the report is due;

(iii) on the date of enactment of this subparagraph, the State agency requires households residing on a reservation to file periodic reports on a monthly basis; and

(iv) the certification period for households residing on a reservation that are required to file periodic reports on a monthly basis is 2 years, unless the State demonstrates just cause to the Secretary for a shorter certification period.

(D) FREQUENCY OF REPORTING.—

(i) IN GENERAL.—Except as provided in subparagraphs (A) and (C), a State agency may require households that report on a periodic basis to submit reports—

(I) not less often than once each 6 months; but

(II) not more often than once each month.

(ii) REPORTING BY HOUSEHOLDS WITH EXCESS INCOME.—A household required to report less often than once each 3 months shall, notwithstanding subparagraph (B), report in a manner prescribed by the Secretary if the income of the household for any month exceeds the income standard of eligibility established under section 5(c)(2).

(2) Any household required to file a periodic report under paragraph (1) of this subsection shall, (A) if it is eligible to participate and has filed a timely and complete report, receive its allotment, based on the reported information for a given

month, within thirty days of the end of that month unless the Secretary determines that a longer period of time is necessary, (B) have available special procedures that permit the filing of the required information in the event all adult members of the household are mentally or physically handicapped or lacking in reading or writing skills to such a degree as to be unable to fill out the required forms, (C) have a reasonable period of time after the close of the month in which to file their reports on State agency designed forms, (D) be afforded prompt notice of failure to file any report timely or completely, and given a reasonable opportunity to cure that failure (with any applicable time requirements extended accordingly) and to exercise its rights under section 11(e)(10) of this Act, and (E) be provided each month (or other applicable period) with an appropriate, simple form for making the required reports of the household together with clear instructions explaining how to complete the form and the rights and responsibilities of the household under any periodic reporting system.

(3) Reports required to be filed under paragraph (1) of this subsection shall be considered complete if they contain the information relevant to eligibility and benefit determinations that is specified by the State agency. All report forms, including those related to periodic reports of circumstances, shall contain a description, in understandable terms in prominent and bold face lettering, of the appropriate civil and criminal provisions dealing with violations of this Act including the prescribed penalties. Reports required to be filed monthly under paragraph (1) shall be the sole reporting requirement for subject matter included in such reports. In promulgating regulations implementing these reporting requirements, the Secretary shall consult with the Commissioner of Social Security and the Secretary of Health and Human Services, and, wherever feasible, households that receive assistance under title IV-A of the Social Security Act [(42 U.S.C. 601 et seq.)] and that are required to file comparable reports under that Act shall be provided the opportunity to file reports at the same time for purposes of both Acts.

(4) Except as provided in paragraph (1)(C), any household that fails to submit periodic reports required by paragraph (1) shall not receive an allotment for the payment period to which the unsubmitted report applies until such report is submitted.

(5) The Secretary is authorized, upon the request of a State agency, to waive any provisions of this subsection (except the provisions of the first sentence of paragraph (1) which relate to households which are not required to file periodic reports) to the extent necessary to permit the State agency to establish periodic reporting requirements for purposes of this Act which are similar to the periodic reporting requirements established under the State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) in that State.

(d) CONDITIONS OF PARTICIPATION.—

(1) WORK REQUIREMENTS.—

(A) IN GENERAL.—No physically and mentally fit individual over the age of 15 and under the age of 60 shall be

(I) the applicable Federal or State minimum wage; or

(II) 80 percent of the wage that would have governed had the minimum hourly rate under section 6(a)(1) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(a)(1)) been applicable to the offer of employment;

(iv) refuses without good cause to provide a State agency with sufficient information to allow the State agency to determine the employment status or the job availability of the individual;

(vi) fails to comply with section 20.

(B) HOUSEHOLD INELIGIBILITY.—If an individual who is the head of a household becomes ineligible to participate in the supplemental nutrition assistance program under subparagraph (A), the household shall, at the option of the State agency, become ineligible to participate in the supplemental nutrition assistance program for a period, determined by the State agency, that does not exceed the lesser of—

(i) the duration of the ineligibility of the individual determined under subparagraph (C); or

(ii) 180 days.

(C) DURATION OF INELIGIBILITY.—

(i) FIRST VIOLATION.—The first time that an individual becomes ineligible to participate in the supplemental nutrition assistance program under subparagraph (A), the individual shall remain ineligible until the later of—

(I) the date the individual becomes eligible under subparagraph (A);

(iii) **THIRD OR SUBSEQUENT VIOLATION.**—The third or subsequent time that an individual becomes ineligible to participate in the supplemental nutrition assistance program under subparagraph (A), the individual shall remain ineligible until the later of—

(I) the date the individual becomes eligible under subparagraph (A);

(II) the date that is 6 months after the date the individual became ineligible;

(III) a date determined by the State agency;

or  
(IV) at the option of the State agency, permanently.

(D) **ADMINISTRATION.**—

(i) **GOOD CAUSE.**—The Secretary shall determine the meaning of good cause for the purpose of this paragraph.

(ii) **VOLUNTARY QUIT.**—The Secretary shall determine the meaning of voluntarily quitting and reducing work effort for the purpose of this paragraph.

(iii) **DETERMINATION BY STATE AGENCY.**—

(I) **IN GENERAL.**—Subject to subclause (II) and clauses (i) and (ii), a State agency shall determine—

(aa) the meaning of any term used in subparagraph (A);

(bb) the procedures for determining whether an individual is in compliance with a requirement under subparagraph (A); and

(cc) whether an individual is in compliance with a requirement under subparagraph (A).

(II) **NOT LESS RESTRICTIVE.**—A State agency may not use a meaning, procedure, or determination under subclause (I) that is less restrictive on individuals receiving benefits under this Act than a comparable meaning, procedure, or determination under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.).

(iv) **STRIKE AGAINST THE GOVERNMENT.**—For the purpose of subparagraph (A)(v), an employee of the

Federal Government, a State, or a political subdivision of a State, who is dismissed for participating in a strike against the Federal Government, the State, or the political subdivision of the State shall be considered to have voluntarily quit without good cause.

(v) SELECTING A HEAD OF HOUSEHOLD.—

(I) IN GENERAL.—For purposes of this paragraph, the State agency shall allow the household to select any adult parent of a child in the household as the head of the household if all adult household members making application under the supplemental nutrition assistance program agree to the selection.

(II) TIME FOR MAKING DESIGNATION.—A household may designate the head of the household under subclause (I) each time the household is certified for participation in the supplemental nutrition assistance program, but may not change the designation during a certification period unless there is a change in the composition of the household.

(vi) CHANGE IN HEAD OF HOUSEHOLD.—If the head of a household leaves the household during a period in which the household is ineligible to participate in the supplemental nutrition assistance program under subparagraph (B)—

(I) the household shall, if otherwise eligible, become eligible to participate in the supplemental nutrition assistance program; and

(II) if the head of the household becomes the head of another household, the household that becomes headed by the individual shall become ineligible to participate in the supplemental nutrition assistance program for the remaining period of ineligibility.

(2) A person who otherwise would be required to comply with the requirements of paragraph (1) of this subsection shall be exempt from such requirements if he or she is (A) currently subject to and complying with a work registration requirement under title IV of the Social Security Act, as amended (42 U.S.C. 602), or the Federal-State unemployment compensation system, in which case, failure by such person to comply with any work requirement to which such person is subject shall be the same as failure to comply with that requirement of paragraph (1); (B) a parent or other member of a household with responsibility for the care of a dependent child under age six or of an incapacitated person; (C) a bona fide student enrolled at least half time in any recognized school, training program, or institution of higher education (except that any such person enrolled in an institution of higher education shall be ineligible to participate in the supplemental nutrition assistance program unless he or she meets the requirements of subsection (e) of this section); (D) a regular participant in a drug addiction or alcoholic treatment and rehabilitation program; (E) employed a minimum of thirty hours per week or receiving weekly earnings which

equal the minimum hourly rate under the Fair Labor Standards Act of 1938, as amended (29 U.S.C. 206(a)(1)), multiplied by thirty hours; or (F) a person between the ages of sixteen and eighteen who is not a head of a household or who is attending school, or enrolled in an employment training program, on at least a half-time basis. A State that requested a waiver to lower the age specified in subparagraph (B) and had the waiver denied by the Secretary as of August 1, 1996, may, for a period of not more than 3 years, lower the age of a dependent child that qualifies a parent or other member of a household for an exemption under subparagraph (B) to between 1 and 6 years of age.

(3) Notwithstanding any other provision of law, a household shall not participate in the supplemental nutrition assistance program at any time that any member of such household, not exempt from the work registration requirements of paragraph (1) of this subsection, is on strike as defined in section 501(2) of the Labor Management Relations Act, 1947, [(29 U.S.C. 142(2))] because of a labor dispute (other than a lockout) as defined in section 2(9) of the National Labor Relations Act [(29 U.S.C. 152(9))]: *Provided*, That a household shall not lose its eligibility to participate in the supplemental nutrition assistance program as a result of one of its members going on strike if the household was eligible immediately prior to such strike, however, such household shall not receive an increased allotment as the result of a decrease in the income of the striking member or members of the household: *Provided further*, That such ineligibility shall not apply to any household that does not contain a member on strike, if any of its members refuses to accept employment at a plant or site because of a strike or lockout.

(4) EMPLOYMENT AND TRAINING.—

(A) IN GENERAL.—

(i) IMPLEMENTATION.—Each State agency shall implement an employment and training program designed by the State agency and approved by the Secretary for the purpose of assisting members of households participating in the supplemental nutrition assistance program in gaining skills, training, work, or experience that will increase their ability to obtain regular employment.

(ii) STATEWIDE WORKFORCE DEVELOPMENT SYSTEM.—Each component of an employment and training program carried out under this paragraph shall be delivered through a statewide workforce development system, unless the component is not available locally through such a system.

(B) For purposes of this Act, an “employment and training program” means a program that contains one or more of the following components, except that the State agency shall retain the option to apply employment requirements prescribed under this subparagraph to a program applicant at the time of application:

(i) Job search programs.

(ii) Job search training programs that include, to the extent determined appropriate by the State agency, reasonable job search training and support activities that may consist of jobs skills assessments, job finding clubs, training in tech-

niques for employability, job placement services, or other direct training or support activities, including educational programs, determined by the State agency to expand the job search abilities or employability of those subject to the program.

(iii) Workfare programs operated under section 20.

(iv) Programs designed to improve the employability of household members through actual work experience or training, or both, and to enable individuals employed or trained under such programs to move promptly into regular public or private employment. An employment or training experience program established under this clause shall—

(I) not provide any work that has the effect of replacing the employment of an individual not participating in the employment or training experience program; and

(II) provide the same benefits and working conditions that are provided at the job site to employees performing comparable work for comparable hours.

(v) Educational programs or activities to improve basic skills and literacy, or otherwise improve employability, including educational programs determined by the State agency to expand the job search abilities or employability of those subject to the program under this paragraph.

(vi) Programs designed to increase the self-sufficiency of recipients through self-employment, including programs that provide instruction for self-employment ventures.

(vii) Programs intended to ensure job retention by providing job retention services, if the job retention services are provided for a period of not more than 90 days after an individual who received employment and training services under this paragraph gains employment.

(viii) As approved by the Secretary or the State under regulations issued by the Secretary, other employment, educational and training programs, projects, and experiments, such as a supported work program, aimed at accomplishing the purpose of the employment and training program.

(C) The State agency may provide that participation in an employment and training program may supplement or supplant other employment-related requirements imposed on those subject to the program.

(D)(i) Each State agency may exempt from any requirement for participation in any program under this paragraph categories of household members.

(ii) Each State agency may exempt from any requirement for participation individual household members not included in any category designated as exempt under clause (i).

(iii) Any exemption of a category or individual under this subparagraph shall be periodically evaluated to determine whether the exemption continues to be valid.

(E) Each State agency shall establish requirements for participation by individuals not exempt under subparagraph (D) in one or more employment and training programs under this paragraph, including the extent to which any individual is required to participate. Such requirements may vary among participants.

(F)(i) The total hours of work in an employment and training program carried out under this paragraph required of members of a household, together with the hours of work of such members in any program carried out under section 20, in any month collectively may not exceed a number of hours equal to the household's allotment for such month divided by the higher of the applicable State minimum wage or Federal minimum hourly rate under the Fair Labor Standards Act of 1938 [(29 U.S.C. 201 et seq.)].

(ii) The total hours of participation in such program required of any member of a household, individually, in any month, together with any hours worked in another program carried out under section 20 and any hours worked for compensation (in cash or in kind) in any other capacity, shall not exceed one hundred and twenty hours per month.

(iii) Any individual voluntarily electing to participate in a program under this paragraph shall not be subject to the limitations described in clauses (i) and (ii).

(G) The State agency may operate any program component under this paragraph in which individuals elect to participate.

(H) Federal funds made available to a State agency for purposes of the component authorized under subparagraph (B)(v) shall not be used to supplant non-Federal funds used for existing services and activities that promote the purposes of this component.

(I)(i) The State agency shall provide payments or reimbursements to participants in programs carried out under this paragraph, including individuals participating under subparagraph (G), for—

(I) the actual costs of transportation and other actual costs (other than dependent care costs), that are reasonably necessary and directly related to participation in the program; and

(II) the actual costs of such dependent care expenses that are determined by the State agency to be necessary for the participation of an individual in the program (other than an individual who is the caretaker relative of a dependent in a family receiving benefits under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) in a local area where an employment, training, or education program under title IV of such Act is in operation), except that no such payment or reimbursement shall exceed the applicable local market rate. Individuals subject to the program under this paragraph may not be required to participate if dependent costs exceed the limit established by the State agency under this subclause or other actual costs exceed any limit established under subclause (I).

(ii) In lieu of providing reimbursements or payments for dependent care expenses under clause (i), a State agency may, at its option, arrange for dependent care through providers by the use of purchase of service contracts or vouchers or by providing vouchers to the household.

(iii) The value of any dependent care services provided for or arranged under clause (ii), or any amount received as a payment or reimbursement under clause (i), shall—

(I) not be treated as income for the purposes of any other Federal or federally assisted program that bases eligibility for, or the amount of benefits on, need; and

(II) not be claimed as an employment-related expense for the purposes of the credit provided under section 21 of the Internal Revenue Code of 1986.

(J) The Secretary shall promulgate guidelines that (i) enable State agencies, to the maximum extent practicable, to design and operate an employment and training program that is compatible and consistent with similar programs operated within the State, and (ii) ensure, to the maximum extent practicable, that employment and training programs are provided for Indians on reservations.

(K) LIMITATION ON FUNDING.—Notwithstanding any other provision of this paragraph, the amount of funds a State agency uses to carry out this paragraph (including funds used to carry out subparagraph (I)) for participants who are receiving benefits under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) shall not exceed the amount of funds the State agency used in fiscal year 1995 to carry out this paragraph for participants who were receiving benefits in fiscal year 1995 under a State program funded under part A of title IV of the Act (42 U.S.C. 601 et seq.).

(L) The Secretary shall ensure that State agencies comply with the requirements of this paragraph and section 11(e)(19).

(M) The facilities of the State public employment offices and other State agencies and providers carrying out activities under title I of the Workforce Innovation and Opportunity Act may be used to find employment and training opportunities for household members under the programs under this paragraph.

(e) No individual who is a member of a household otherwise eligible to participate in the supplemental nutrition assistance program under this section shall be eligible to participate in the supplemental nutrition assistance program as a member of that or any other household if the individual is enrolled at least half-time in an institution of higher education, unless the individual—

- (1) is under age 18 or is age 50 or older;
- (2) is not physically or mentally fit;
- (3) is assigned to or placed in an institution of higher education through or in compliance with the requirements of—

(A) a program under title I of the Workforce Innovation and Opportunity Act;

Perkins Career and Technical Education Act of 2006 (20 U.S.C. 2302)) that may be completed in not more than 4 years at an institution of higher education (as defined in section 102 of the Higher Education Act of 1965 (20 U.S.C. 1002)); or

(ii) is limited to remedial courses, basic adult education, literacy, or English as a second language;

(4) is employed a minimum of 20 hours per week or participating in a State or federally financed work study program during the regular school year;

(5) is—

(A) a parent with responsibility for the care of a dependent child under age 6; or

(B) a parent with responsibility for the care of a dependent child above the age of 5 and under the age of 12 for whom adequate child care is not available to enable the individual to attend class and satisfy the requirements of paragraph (4);

(6) is receiving benefits under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.);

(7) is so enrolled as a result of participation in the work incentive program under title IV of the Social Security Act or its successor programs; or

(8) is enrolled full-time in an institution of higher education, as determined by the institution, and is a single parent with responsibility for the care of a dependent child under age 12.

(f) No individual who is a member of a household otherwise eligible to participate in the supplemental nutrition assistance program under this section shall be eligible to participate in the supplemental nutrition assistance program as a member of that or any other household unless he or she is (1) a resident of the United States and (2) either (A) a citizen or (B) an alien lawfully admitted for permanent residence as an immigrant as defined by sections 101(a)(15) and 101(a)(20) of the Immigration and Nationality Act (8 U.S.C. 1101(a)(15) and 8 U.S.C. 1101(a)(20)), excluding, among others, alien visitors, tourists, diplomats, and students who enter the United States temporarily with no intention of abandoning their residence in a foreign country; or (C) an alien who entered the United States prior to June 30, 1948, or such subsequent date as is enacted by law, has continuously maintained his or her residence in the United States since then, and is not ineligible for citizenship, but who is deemed to be lawfully admitted for permanent residence as a result of an exercise of discretion by the Attorney General pursuant to section 249 of the Immigration and Nationality Act (8 U.S.C. 1259); or (D) an alien who has qualified for conditional entry pursuant to sections 207 and 208 of the Immigration and Nationality Act (8 U.S.C. 1157 and 1158); or (E) an alien who is lawfully present in the United States as a result of an exercise of discretion by the Attorney General for emergent reasons or reasons deemed strictly in the public interest pursuant to section 212(d)(5) of the Immigration and Nationality Act (8 U.S.C. 1182(d)(5)); or (F) an alien within the United States as to whom the Attorney General has withheld deportation pursuant to section 243 of the Immigration and Nationality Act (8 U.S.C. 1253(h)). (iv) EFFECT OF REAPPLICATION.—If the departed resident reapplies to participate in the supplemental nutrition assistance program, the allotment of the departed resident shall be determined without regard to this paragraph.

(2) PILOT PROJECTS.—

(A) IN GENERAL.—Before the Secretary authorizes implementation of paragraph (1) in all States, the Secretary shall carry out, at the request of 1 or more State agencies and in 1 or more areas of the United States, such number of pilot projects as the Secretary determines to be sufficient to test the feasibility of determining and issuing allotments to residents of covered facilities under paragraph (1) in lieu of subsection (a).

(II)(aa) a sufficient number of pilot projects have been carried out under paragraph (2)(A); and

(bb) authorization of implementation of paragraph (1) in all States is not in the best interest of the supplemental nutrition assistance program.

APPROVAL OF RETAIL FOOD STORES AND WHOLESALE FOOD CONCERNS

SEC. 9. [7 U.S.C. 2018] (a)(1) Regulations issued pursuant to this Act shall provide for the submission of applications for ap-

approval by retail food stores and wholesale food concerns which desire to be authorized to accept and redeem benefits under the supplemental nutrition assistance program and for the approval of those applicants whose participation will effectuate the purposes of the supplemental nutrition assistance program. In determining the qualifications of applicants, there shall be considered among such other factors as may be appropriate, the following: (A) the nature and extent of the food business conducted by the applicant; (B) the volume of benefit transactions which may reasonably be expected to be conducted by the applicant food store or wholesale food concern; (C) whether the applicant is located in an area with significantly limited access to food; and (D) the business integrity and reputation of the applicant. Approval of an applicant shall be evidenced by the issuance to such applicant of a nontransferable certificate of approval. No retail food store or wholesale food concern of a type determined by the Secretary, based on factors that include size, location, and type of items sold, shall be approved to be authorized or reauthorized for participation in the supplemental nutrition assistance program unless an authorized employee of the Department of Agriculture, a designee of the Secretary, or, if practicable, an official of the State or local government designated by the Secretary has visited the store or concern for the purpose of determining whether the store or concern should be approved or reauthorized, as appropriate.

(2) The Secretary shall issue regulations providing for—

(A) the periodic reauthorization of retail food stores and wholesale food concerns; and

(B) periodic notice to participating retail food stores and wholesale food concerns of the definitions of “retail food store”, “staple foods”, “eligible foods”, and “perishable foods”.

(3) AUTHORIZATION PERIODS.—The Secretary shall establish specific time periods during which authorization to accept and redeem benefits shall be valid under the supplemental nutrition assistance program.

(b)(1) No wholesale food concern may be authorized to accept and redeem benefits unless the Secretary determines that its participation is required for the effective and efficient operation of the supplemental nutrition assistance program. No co-located wholesale-retail food concern may be authorized to accept and redeem benefits as a retail food store, unless (A) the concern does a substantial level of retail food business, or (B) the Secretary determines that failure to authorize such a food concern as a retail food store would cause hardship to households that receive supplemental nutrition assistance program benefits. In addition, no firm may be authorized to accept and redeem benefits as both a retail food store and as a wholesale food concern at the same time.

(2)(A) A buyer or transferee (other than a bona fide buyer or transferee) of a retail food store or wholesale food concern that has been disqualified under section 12(a) may not accept or redeem benefits until the Secretary receives full payment of any penalty imposed on such store or concern.

(B) A buyer or transferee may not, as a result of the sale or transfer of such store or concern, be required to furnish a bond under section 12(d).

(c) Regulations issued pursuant to this Act shall require an applicant retail food store or wholesale food concern to submit information, which may include relevant income and sales tax filing documents, purchase invoices, or program-related records, which will permit a determination to be made as to whether such applicant qualifies, or continues to qualify, for approval under the provisions of this Act or the regulations issued pursuant to this Act. The regulations may require retail food stores and wholesale food concerns to provide written authorization for the Secretary to verify all relevant tax filings with appropriate agencies and to obtain corroborating documentation from other sources so that the accuracy of information provided by the stores and concerns may be verified. Regulations issued pursuant to this Act shall provide for safeguards which limit the use or disclosure of information obtained under the authority granted by this subsection to purposes directly connected with administration and enforcement of the provisions of this Act or the regulations issued pursuant to this Act, except that such information may be disclosed to any used by Federal law enforcement and investigative agencies and law enforcement and investigative agencies of a State government for the purposes of administering or enforcing this Act or any other Federal or State law and the regulations issued under this Act or such law, and State agencies that administer the special supplemental nutrition program for women, infants and children, authorized under section 17 of the Child Nutrition Act of 1966, for purposes of administering the provisions of that Act and the regulations issued under that Act. Any person who publishes, divulges, discloses, or makes known in any manner or to any extent not authorized by Federal law (including a regulation) any information obtained under this subsection shall be fined not more than \$1,000 or imprisoned not more than 1 year, or both. The regulations shall establish the criteria to be used by the Secretary to determine whether the information is needed. The regulations shall not prohibit the audit and examination of such information by the Comptroller General of the United States authorized by any other provision of law.

(d) Any retail food store or wholesale food concern which has failed upon application to receive approval to participate in the supplemental nutrition assistance program may obtain a hearing on such refusal as provided in section 14 of this Act. A retail food store or wholesale food concern that is denied approval to accept and redeem benefits because the store or concern does not meet criteria for approval established by the Secretary may not, for at least 6 months, submit a new application to participate in the program. The Secretary may establish a longer time period under the preceding sentence, including permanent disqualification, that reflects the severity of the basis of the denial.

(e) Approved retail food stores shall display a sign providing information on how persons may report abuses they have observed in the operation of the supplemental nutrition assistance program.

(f) In those areas in which the Secretary, in consultation with the Inspector General of the Department of Agriculture, finds evidence that the operation of house-to-house trade routes damages the program's integrity, the Secretary shall limit the participation

of house-to-house trade routes to those routes that are reasonably necessary to provide adequate access to households.

(g) **EBT SERVICE REQUIREMENT.**—An approved retail food store shall provide adequate EBT service as described in section 7(h)(3)(B).

(h) **PRIVATE ESTABLISHMENTS.**—

(1) **IN GENERAL.**—Subject to paragraph (2), no private establishment that contracts with a State agency to offer meals at concessional prices as described in paragraphs (3), (4), and (9) of section 3(k) may be authorized to accept and redeem benefits unless the Secretary determines that the participation of the private establishment is required to meet a documented need in accordance with section 11(e)(25).

(2) **EXISTING CONTRACTS.**—

(A) **IN GENERAL.**—If, on the day before the date of enactment of this subsection, a State has entered into a contract with a private establishment described in paragraph (1) and the Secretary has not determined that the participation of the private establishment is necessary to meet a documented need in accordance with section 11(e)(25), the Secretary shall allow the operation of the private establishment to continue without that determination of need for a period not to exceed 180 days from the date on which the Secretary establishes determination criteria, by regulation, under section 11(e)(25).

(B) **JUSTIFICATION.**—If the Secretary determines to terminate a contract with a private establishment that is in effect on the date of enactment of this subsection, the Secretary shall provide justification to the State in which the private establishment is located for that termination.

(3) **REPORT TO CONGRESS.**—Not later than 90 days after September 30, 2014, and 90 days after the last day of each fiscal year thereafter, the Secretary shall submit to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report on the effectiveness of a program under this subsection using any information received from States under section 11(e)(25) as well as any other information the Secretary may have relating to the manner in which benefits are used.

#### **SEC. 10. [7 U.S.C. 2019] REDEMPTION OF PROGRAM BENEFITS.**

Regulations issued pursuant to this Act shall provide for the redemption of benefits accepted by retail food stores through approved wholesale food concerns or through financial institutions which are insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation,<sup>11</sup> or which are insured under the Federal Credit Union Act and have retail food stores or wholesale food concerns in their field of membership, with the cooperation of the Treasury Department, except that retail food stores defined in section 3(p)(4) shall be authorized to redeem their members' food benefits prior to receipt by the members of the food so purchased, retail food stores authorized to accept and re-

Notwithstanding the preceding sentence, a center, organization, institution, shelter, group living arrangement, or establishment described in that sentence may be authorized to redeem benefits through a financial institution described in that sentence if the center, organization, institution, shelter, group living arrangement, or establishment is equipped with 1 or more point-of-sale devices and is operating in an area in which an electronic benefit transfer system described in section 7(h) has been implemented. No financial institution may impose on or collect from a retail food store a fee or other charge for the redemption of benefits that are submitted to the financial institution in a manner consistent with the requirements, other than any requirements relating to cancellation of benefits, for the presentation of coupons by financial institutions to the Federal Reserve banks.

(a) STATE RESPONSIBILITY.—

(1) IN GENERAL.—The State agency of each participating State shall have responsibility for certifying applicant households and issuing EBT cards.

(2) LOCAL ADMINISTRATION.—The responsibility of the agency of the State government shall not be affected by whether the program is operated on a State-administered or county-administered basis, as provided under section 3(t)(1).

(3) RECORDS.—

(A) IN GENERAL.—Each State agency shall keep such records as may be necessary to determine whether the program is being conducted in compliance with this Act (including regulations issued under this Act).

(B) INSPECTION AND AUDIT.—Records described in subparagraph (A) shall—

(i) be available for inspection and audit at any reasonable time;

(ii) subject to subsection (e)(8), be available for review in any action filed by a household to enforce any provision of this Act (including regulations issued under this Act); and

(iii) be preserved for such period of not less than 3 years as may be specified in regulations.

(4) REVIEW OF MAJOR CHANGES IN PROGRAM DESIGN.—

(A) IN GENERAL.—The Secretary shall develop standards for identifying major changes in the operations of a State agency, including—

(i) large or substantially-increased numbers of low-income households that do not live in reasonable proximity to an office performing the major functions described in subsection (e);

(ii) substantial increases in reliance on automated systems for the performance of responsibilities previously performed by personnel described in subsection (e)(6)(B);

(iii) changes that potentially increase the difficulty of reporting information under subsection (e) or section 6(c); and

(iv) changes that may disproportionately increase the burdens on any of the types of households described in subsection (e)(2)(A).

(B) NOTIFICATION.—If a State agency implements a major change in operations, the State agency shall—

(i) notify the Secretary; and

(ii) collect such information as the Secretary shall require to identify and correct any adverse effects on program integrity or access, including access by any of the types of households described in subsection (e)(2)(A).

(b) When a State agency learns, through its own reviews under section 16 or other reviews, or through other sources, that it has improperly denied, terminated, or underissued benefits to an eligible household, the State agency shall promptly restore any improperly denied benefits to the extent required by sections 11(e)(11) and 14(b), and shall take other steps to prevent a recurrence of such errors where such error was caused by the application of State agency practices, rules or procedures inconsistent with the requirements of this Act or with regulations or policies of the Secretary issued under the authority of this Act.

(c) CIVIL RIGHTS COMPLIANCE.—

(1) IN GENERAL.—In the certification of applicant households for the supplemental nutrition assistance program, there shall be no discrimination by reason of race, sex, religious creed, national origin, or political affiliation.

(2) RELATION TO OTHER LAWS.—The administration of the program by a State agency shall be consistent with the rights of households under the following laws (including implementing regulations):

(A) The Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.).

(B) Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794).

(C) The Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.).

(D) Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.).

(d) The State agency (as defined in section 3(t)(1)) of each State desiring to participate in the supplemental nutrition assistance

program shall submit for approval a plan of operation specifying the manner in which such program will be conducted within the State in every political subdivision. The Secretary may not, as a part of the approval process for a plan of operation, require a State to submit for prior approval by the Secretary the State agency instructions to staff, interpretations of existing policy, State agency methods of administration, forms used by the State agency, or any materials, documents, memoranda, bulletins, or other matter, unless the State determines that the materials, documents, memoranda, bulletins, or other matter alter or amend the State plan of operation or conflict with the rights and levels of benefits to which a household is entitled. In the case of all or part of an Indian reservation, the State agency as defined in section 3(t)(1) shall be responsible for conducting such program on such reservation unless the Secretary determines that the State agency (as defined in section 3(t)(1)) is failing, subsequent to the enactment of this Act [Amendatory Act enacted on September 29, 1977.], properly to administer such program on such reservation in accordance with the purposes of this Act and further determines that the State agency as defined in section 3(t)(2) is capable of effectively and efficiently conducting such program, in light of the distance of the reservation from State agency-operated certification and issuance centers, the previous experience of such tribal organization in the operation of programs authorized under the Indian Self-Determination Act (25 U.S.C. 450) and similar Acts of Congress, the tribal organization's management and fiscal capabilities, and the adequacy of measures taken by the tribal organization to ensure that there shall be no discrimination in the operation of the program on the basis of race, color, sex, or national origin, in which event such State agency shall be responsible for conducting such program and submitting for approval a plan of operation specifying the manner in which such program will be conducted. The Secretary, upon the request of a tribal organization, shall provide the designees of such organization with appropriate training and technical assistance to enable them to qualify as expeditiously as possible as a State agency pursuant to section 3(t)(2). A State agency, as defined in section 3(t)(1), before it submits its plan of operation to the Secretary for the administration of the supplemental nutrition assistance program on all or part of an Indian reservation, shall consult in good faith with the tribal organization about that portion of the State's plan of operation pertaining to the implementation of the program for members of the tribe, and shall implement the program in a manner that is responsive to the needs of the Indians on the reservation as determined by ongoing consultation with the tribal organization.

(e) The State plan of operation required under subsection (d) of this section shall provide, among such other provisions as may be required by regulation—

(1) that the State agency shall—

(A) at the option of the State agency, inform low-income households about the availability, eligibility requirements, application procedures, and benefits of the supplemental nutrition assistance program; and

(B) comply with regulations of the Secretary requiring the use of appropriate bilingual personnel and printed material in the administration of the program in those portions of political subdivisions in the State in which a substantial number of members of low-income households speak a language other than English;

(2)(A) that the State agency shall establish procedures governing the operation of supplemental nutrition assistance program offices that the State agency determines best serve households in the State, including households with special needs, such as households with elderly or disabled members, households in rural areas with low-income members, homeless individuals, households residing on reservations, and households in areas in which a substantial number of members of low-income households speak a language other than English.

(B) In carrying out subparagraph (A), a State agency—

(i) shall provide timely, accurate, and fair service to applicants for, and participants in, the supplemental nutrition assistance program;

(ii)(I) shall develop an application containing the information necessary to comply with this Act; and

(II) if the State agency maintains a website for the State agency, shall make the application available on the website in each language in which the State agency makes a printed application available;

(iii) shall permit an applicant household to apply to participate in the program on the same day that the household first contacts a supplemental nutrition assistance program office in person during office hours;

(iv) shall consider an application that contains the name, address, and signature of the applicant to be filed on the date the applicant submits the application;

(v) shall require that an adult representative of each applicant household certify in writing, under penalty of perjury, that—

(I) the information contained in the application is true; and

(II) all members of the household are citizens or are aliens eligible to receive supplemental nutrition assistance program benefits under section 6(f);

(vi) shall provide a method of certifying and issuing benefits to eligible homeless individuals, to ensure that participation in the supplemental nutrition assistance program is limited to eligible households; and

(vii) may establish operating procedures that vary for local supplemental nutrition assistance program offices to reflect regional and local differences within the State.

(C)<sup>12</sup> ELECTRONIC AND AUTOMATED SYSTEMS.—

(i) IN GENERAL.—Nothing in this Act shall prohibit the use of signatures provided and maintained electronically, storage of records using automated retrieval

<sup>12</sup>Indentation so as in original (see sec. 4119(1) of the Food, Conservation, and Energy Act of 2008 (P.L. 110-246; 122 Stat. 1873)).

systems only, or any other feature of a State agency's application system that does not rely exclusively on the collection and retention of paper applications or other records.

(ii) STATE OPTION FOR TELEPHONIC SIGNATURE.—A State agency may establish a system by which an applicant household may sign an application through a recorded verbal assent over the telephone.

(iii) REQUIREMENTS.—A system established under clause (ii) shall—

(I) record for future reference the verbal assent of the household member and the information to which assent was given;

(II) include effective safeguards against impersonation, identity theft, and invasions of privacy;

(III) not deny or interfere with the right of the household to apply in writing;

(IV) promptly provide to the household member a written copy of the completed application, with instructions for a simple procedure for correcting any errors or omissions;

(V) comply with paragraph (1)(B);

(VI) satisfy all requirements for a signature on an application under this Act and other laws applicable to the supplemental nutrition assistance program, with the date on which the household member provides verbal assent considered as the date of application for all purposes; and

(VII) comply with such other standards as the Secretary may establish.

(D) The signature of any adult under this paragraph shall be considered sufficient to comply with any provision of Federal law requiring a household member to sign an application or statement;

(3) that the State agency shall thereafter promptly determine the eligibility of each applicant household by way of verification of income other than that determined to be excluded by section 5(d) of this Act (in part through the use of the information, if any, obtained under section 16(e) of this Act and after compliance with the requirement specified in paragraph (24)), household size (in any case such size is questionable), and such other eligibility factors as the Secretary determines to be necessary to implement sections 5 and 6 of this Act, although the State agency may verify prior to certification, whether questionable or not, the size of any applicant household and such other eligibility factors as the State agency determines are necessary, so as to complete certification of and provide an allotment retroactive to the period of application to any eligible household not later than thirty days following its filing of an application, and that the State agency shall provide each applicant household, at the time of application, a clear written statement explaining what acts the household must

perform to cooperate in obtaining verification and otherwise completing the application process;

(4) that the State agency shall insure that each participating household receive a notice of expiration of its certification prior to the start of the last month of its certification period advising the household that it must submit a new application in order to renew its eligibility for a new certification period and, further, that each such household which seeks to be certified another time or more times thereafter by filing an application for such recertification no later than fifteen days prior to the day upon which its existing certification period expires shall, if found to be still eligible, receive its allotment no later than one month after the receipt of the last allotment issued to it pursuant to its prior certification, but if such household is found to be ineligible or to be eligible for a smaller allotment during the new certification period it shall not continue to participate and receive benefits on the basis authorized for the preceding certification period even if it makes a timely request for a fair hearing pursuant to paragraph (10) of this subsection: *Provided*, That the timeliness standards for submitting the notice of expiration and filing an application for recertification may be modified by the Secretary in light of sections 5(f)(2) and 6(c) of this Act if administratively necessary;

(5) the specific standards to be used in determining the eligibility of applicant households which shall be in accordance with sections 5 and 6 of this Act and shall include no additional requirements imposed by the State agency;

(6) that—

(A) the State agency shall undertake the certification of applicant households in accordance with the general procedures prescribed by the Secretary in the regulations issued pursuant to this Act; and

(B) the State agency personnel utilized in undertaking such certification shall be employed in accordance with the current standards for a Merit System of Personnel Administration or any standards later prescribed by the Office of Personnel Management pursuant to section 208 of the Intergovernmental Personnel Act of 1970 [(42 U.S.C. 4728)] modifying or superseding such standards relating to the establishment and maintenance of personnel standards on a merit basis;

(7) that an applicant household may be represented in the certification process and that an eligible household may be represented in benefit issuance or food purchase by a person other than a member of the household so long as that person has been clearly designated as the representative of that household for that purpose, by the head of the household or the spouse of the head, and, where the certification process is concerned, the representative is an adult who is sufficiently aware of relevant household circumstances, except that the Secretary may restrict the number of households which may be represented by an individual and otherwise establish criteria and verification standards for representation under this paragraph;

(8) safeguards which prohibit the use or disclosure of information obtained from applicant households, except that—

(A) the safeguards shall permit—

(i) the disclosure of such information to persons directly connected with the administration or enforcement of the provisions of this Act, regulations issued pursuant to this Act, Federal assistance programs, or federally-assisted State programs; and

(ii) the subsequent use of the information by persons described in clause (i) only for such administration or enforcement;

(B) the safeguards shall not prevent the use or disclosure of such information to the Comptroller General of the United States for audit and examination authorized by any other provision of law;

(C) notwithstanding any other provision of law, all information obtained under this Act from an applicant household shall be made available, upon request, to local, State or Federal law enforcement officials for the purpose of investigating an alleged violation of this Act or any regulation issued under this Act;

(D) the safeguards shall not prevent the use by, or disclosure of such information, to agencies of the Federal Government (including the United States Postal Service) for purposes of collecting the amount of an overissuance of benefits, as determined under section 13(b) of this Act, from Federal pay (including salaries and pensions) as authorized pursuant to section 5514 of title 5 of the United States Code or a Federal income tax refund as authorized by section 3720A of title 31, United States Code;

(E) notwithstanding any other provision of law, the address, social security number, and, if available, photograph of any member of a household shall be made available, on request, to any Federal, State, or local law enforcement officer if the officer furnishes the State agency with the name of the member and notifies the agency that—

(i) the member—

(I) is fleeing to avoid prosecution, or custody or confinement after conviction, for a crime (or attempt to commit a crime) that, under the law of the place the member is fleeing, is a felony (or, in the case of New Jersey, a high misdemeanor), or is violating a condition of probation or parole imposed under Federal or State law; or

(II) has information that is necessary for the officer to conduct an official duty related to subclause (I);

(ii) locating or apprehending the member is an official duty; and

(iii) the request is being made in the proper exercise of an official duty; and

(F) the safeguards shall not prevent compliance with paragraph (15) or (18)(B) or subsection (u);

- (9) that the State agency shall—
- (A) provide benefits no later than 7 days after the date of application to any household which—
- (i)(I) has gross income that is less than \$150 per month; or
- (II) is a destitute migrant or a seasonal farm-worker household in accordance with the regulations governing such households in effect July 1, 1982; and
- (ii) has liquid resources that do not exceed \$100;
- (B) provide benefits no later than 7 days after the date of application to any household that has a combined gross income and liquid resources that is less than the monthly rent, or mortgage, and utilities of the household; and
- (C) to the extent practicable, verify the income and liquid resources of a household referred to in subparagraph (A) or (B) prior to issuance of benefits to the household;
- (10) for the granting of a fair hearing and a prompt determination thereafter to any household aggrieved by the action of the State agency under any provision of its plan of operation as it affects the participation of such household in the supplemental nutrition assistance program or by a claim against the household for an overissuance: *Provided*, That any household which timely requests such a fair hearing after receiving individual notice of agency action reducing or terminating its benefits within the household's certification period shall continue to participate and receive benefits on the basis authorized immediately prior to the notice of adverse action until such time as the fair hearing is completed and an adverse decision rendered or until such time as the household's certification period terminates, whichever occurs earlier, except that in any case in which the State agency receives from the household a written statement containing information that clearly requires a reduction or termination of the household's benefits, the State agency may act immediately to reduce or terminate the household's benefits and may provide notice of its action to the household as late as the date on which the action becomes effective. At the option of a State, at any time prior to a fair hearing determination under this paragraph, a household may withdraw, orally or in writing, a request by the household for the fair hearing. If the withdrawal request is an oral request, the State agency shall provide a written notice to the household confirming the withdrawal request and providing the household with an opportunity to request a hearing;
- (11) upon receipt of a request from a household, for the prompt restoration in the form of benefits to a household of any allotment or portion thereof which has been wrongfully denied or terminated, except that allotments shall not be restored for any period of time more than one year prior to the date the State agency receives a request for such restoration from a household or the State agency is notified or otherwise discovers that a loss to a household has occurred;
- (12) for the submission of such reports and other information as from time to time may be required by the Secretary;

(13) for indicators of expected performance in the administration of the program;

(14) that the State agency shall specify a plan of operation for providing supplemental nutrition assistance program benefits for households that are victims of a disaster; that such plan shall include, but not be limited to, procedures for informing the public about the disaster program and how to apply for its benefits, coordination with Federal and private disaster relief agencies and local government officials, application procedures to reduce hardship and inconvenience and deter fraud, and instruction of caseworkers in procedures for implementing and operating the disaster program;

(15) notwithstanding paragraph (8) of this subsection, for the immediate reporting to the Immigration and Naturalization Service by the State agency of a determination by personnel responsible for the certification or recertification of households that any member of a household is ineligible to receive supplemental nutrition assistance program benefits because that member is present in the United States in violation of the Immigration and Nationality Act [(8 U.S.C. 1101 et seq.)];

(16) at the option of the State agency, for the establishment and operation of an automatic data processing and information retrieval system that meets such conditions as the Secretary may prescribe and that is designed to provide efficient and effective administration of the supplemental nutrition assistance program;

(17) at the option of the State agency, that information may be requested and exchanged for purposes of income and eligibility verification in accordance with a State system which meets the requirements of section 1137 of the Social Security Act [(42 U.S.C. 1320b-7)] and that any additional information available from agencies administering State unemployment compensation laws under the provisions of section 303(d) of the Social Security Act [(42 U.S.C. 503(d)] may be requested and utilized by the State agency described in section 3(t)(1) to the extent permitted under the provisions of section 303(d) of the Social Security Act;

(18) that the State agency shall establish a system and take action on a periodic basis—

(A) to verify and otherwise ensure that an individual does not receive benefits in more than 1 jurisdiction within the State; and

(B) to verify and otherwise ensure that an individual who is placed under detention in a Federal, State, or local penal, correctional, or other detention facility for more than 30 days shall not be eligible to participate in the supplemental nutrition assistance program as a member of any household, except that—

(i) the Secretary may determine that extraordinary circumstances make it impracticable for the State agency to obtain information necessary to discontinue inclusion of the individual; and

(ii) a State agency that obtains information collected under section 1611(e)(1)(I)(i)(I) of the Social Security Act (42 U.S.C. 1382(e)(1)(I)(i)(I)) pursuant to section 1611(e)(1)(I)(ii)(II) of that Act (42 U.S.C. 1382(e)(1)(I)(ii)(II)), or under another program determined by the Secretary to be comparable to the program carried out under that section, shall be considered in compliance with this subparagraph.

(19) the plans of the State agency for carrying out employment and training programs under section 6(d)(4), including the nature and extent of such programs, the geographic areas and households to be covered under such program, and the basis, including any cost information, for exemptions of categories and individuals and for the choice of employment and training program components reflected in the plans;

(20) in a project area in which 5,000 or more households participate in the supplemental nutrition assistance program, for the establishment and operation of a unit for the detection of fraud in the supplemental nutrition assistance program, including the investigation, and assistance in the prosecution, of such fraud;

(21) at the option of the State, for procedures necessary to obtain payment of uncollected overissuance of benefits from unemployment compensation pursuant to section 13(c);

(22) the guidelines the State agency uses in carrying out section 6(i);

(23) if a State elects to carry out a Simplified Supplemental Nutrition Assistance Program under section 26, the plans of the State agency for operating the program, including—

(A) the rules and procedures to be followed by the State agency to determine supplemental nutrition assistance program benefits;

(B) how the State agency will address the needs of households that experience high shelter costs in relation to the incomes of the households; and

(C) a description of the method by which the State agency will carry out a quality control system under section 16(c);

(24) that the State agency shall request wage data directly from the National Directory of New Hires established under section 453(i) of the Social Security Act (42 U.S.C. 653(i)) relevant to determining eligibility to receive supplemental nutrition assistance program benefits and determining the correct amount of those benefits at the time of certification; and

(25) if the State elects to carry out a program to contract with private establishments to offer meals at concessional prices, as described in paragraphs (3), (4), and (9) of section 3(k)—

(A) the plans of the State agency for operating the program, including—

(i) documentation of a need that eligible homeless, elderly, and disabled clients are underserved in a particular geographic area;

(ii) the manner by which the State agency will limit participation to only those private establishments that the State determines necessary to meet the need identified in clause (i); and

(B) a report by the State agency to the Secretary annually, the schedule of which shall be established by the Secretary, that includes—

(i) the number of households and individual recipients authorized to participate in the program, including any information on whether the individual recipient is elderly, disabled, or homeless; and

(ii) an assessment of whether the program is meeting an established need, as documented under subparagraph (A)(i).

**[(f)<sup>13</sup>]**

(g) If the Secretary determines, upon information received by the Secretary, investigation initiated by the Secretary, or investigation that the Secretary shall initiate upon receiving sufficient information evidencing a pattern of lack of compliance by a State agency of a type specified in this subsection, that in the administration of the supplemental nutrition assistance program there is a failure by a State agency without good cause to comply with any of the provisions of this Act, the regulations issued pursuant to this Act, the State plan of operation submitted pursuant to subsection (d) of this section, the State plan for automated data processing submitted pursuant to subsection (o)(2) of this section, or the requirements established pursuant to section 23 of this Act, the Secretary shall immediately inform such State agency of such failure and shall allow the State agency a specified period of time for the correction of such failure. If the State agency does not correct such failure within that specified period, the Secretary may refer the matter to the Attorney General with a request that injunctive relief be sought to require compliance forthwith by the State agency and, upon suit by the Attorney General in an appropriate district court of the United States having jurisdiction of the geographic area in which the State agency is located and a showing that noncompliance has occurred, appropriate injunctive relief shall issue, and, whether or not the Secretary refers such matter to the Attorney General, the Secretary shall proceed to withhold from the State such funds authorized under sections 16(a), 16(c), and 16(g) of this Act as the Secretary determines to be appropriate, subject to administrative and judicial review under section 14 of this Act.

(h) If the Secretary determines that there has been negligence or fraud on the part of the State agency in the certification of applicant households, the State shall, upon request of the Secretary, deposit into the Treasury of the United States, a sum equal to the face value of any benefits issued as a result of such negligence or fraud.

<sup>13</sup>Subsec. (f) struck by sec. 241(b)(2) of P.L. 111-296, 124 Stat. 3236, Dec. 13, 2010.

## (i) APPLICATION AND DENIAL PROCEDURES.—

(1) APPLICATION PROCEDURES.—Notwithstanding any other provision of law, households in which all members are applicants for or recipients of supplemental security income shall be informed of the availability of benefits under the supplemental nutrition assistance program and be assisted in making a simple application to participate in such program at the social security office and be certified for eligibility utilizing information contained in files of the Social Security Administration.

(2) DENIAL AND TERMINATION.—Except in a case of disqualification as a penalty for failure to comply with a public assistance program rule or regulation, no household shall have its application to participate in the supplemental nutrition assistance program denied nor its benefits under the supplemental nutrition assistance program terminated solely on the basis that its application to participate has been denied or its benefits have been terminated under any of the programs carried out under the statutes specified in the second sentence of section 5(a) and without a separate determination by the State agency that the household fails to satisfy the eligibility requirements for participation in the supplemental nutrition assistance program.

(j)(1) Any individual who is an applicant for or recipient of supplemental security income or social security benefits (under regulations prescribed by the Secretary in conjunction with the Commissioner of Social Security) shall be informed of the availability of benefits under the supplemental nutrition assistance program and informed of the availability of a simple application to participate in such program at the social security office.

(2) The Secretary and the Commissioner of Social Security shall revise the memorandum of understanding in effect on the date of enactment of the Food Security Act of 1985, regarding services to be provided in social security offices under this subsection and subsection (i), in a manner to ensure that—

(A) applicants for and recipients of social security benefits are adequately notified in social security offices that assistance may be available to them under this Act;

(B) applications for assistance under this Act from households in which all members are applicants for or recipients of supplemental security income will be forwarded immediately to the State agency in an efficient and timely manner; and

(C) the Commissioner of Social Security receives from the Secretary reimbursement for costs incurred to provide such services.

(k) Subject to the approval of the President, post offices in all or part of the State may provide, on request by the State agency, supplemental nutrition assistance program benefits to eligible households.

(l) Whenever the ratio of a State's average supplemental nutrition assistance program participation in any quarter of a fiscal year to the State's total population in that quarter (estimated on the basis of the latest available population estimates as provided by the Department of Commerce, Bureau of the Census, Series P-25, Current Population Reports (or its successor series)) exceeds 60 per

centum, the Office of the Inspector General of the Department of Agriculture shall immediately schedule a financial audit review of a sample of project areas within that State. Any financial audit review subsequent to the first such review, required under the preceding sentence, shall be conducted at the option of the Office of the Inspector General.

(m) The Secretary shall provide for the use of fee agents in rural Alaska. As used in this subsection "fee agent" means a paid agent who, although not a State employee, is authorized by the State to make applications available to low-income households, assist in the completion of applications, conduct required interviews, secure required verification, forward completed applications and supporting documentation to the State agency, and provide other services as required by the State agency. Such services shall not include making final decisions on household eligibility or benefit levels.

(n) The Secretary shall require State agencies to conduct verification and implement other measures where necessary, but no less often than annually, to assure that an individual does not receive both benefits and benefits or payments referred to in section 6(g) or both benefits and assistance provided in lieu of benefits under section 17(b)(1).

(o)(1) The Secretary shall develop, after consultation with, and with the assistance of, an advisory group of State agencies appointed by the Secretary without regard to the provisions of the Federal Advisory Committee Act [(5 U.S.C. App. 2)], a model plan for the comprehensive automation of data processing and computerization of information systems under the supplemental nutrition assistance program. The plan shall be developed and made available for public comment through publication of the proposed plan in the Federal Register not later than October 1, 1986. The Secretary shall complete the plan, taking into consideration public comments received, not later than February 1, 1987. The elements of the plan may include intake procedures, eligibility determinations and calculation of benefits, verification procedures, coordination with related Federal and State programs, the issuance of benefits, reconciliation procedures, the generation of notices, and program reporting. In developing the plan, the Secretary shall take into account automated data processing and information systems already in existence in States and shall provide for consistency with such systems.

(2) Not later than October 1, 1987, each State agency shall develop and submit to the Secretary for approval a plan for the use of an automated data processing and information retrieval system to administer the supplemental nutrition assistance program in such State. The State plan shall take into consideration the model plan developed by the Secretary under paragraph (1) and shall provide time frames for completion of various phases of the State plan. If a State agency already has a sufficient automated data processing and information retrieval system, the State plan may, subject to the Secretary's approval, reflect the existing State system.

(3) Not later than April 1, 1988, the Secretary shall prepare and submit to Congress an evaluation of the degree and sufficiency of each State's automated data processing and computerized infor-

mation systems for the administration of the supplemental nutrition assistance program, including State plans submitted under paragraph (2). Such report shall include an analysis of additional steps needed for States to achieve effective and cost-efficient data processing and information systems. The Secretary, thereafter, shall periodically update such report.

(4) Based on the Secretary's findings in such report submitted under paragraph (3), the Secretary may require a State agency, as necessary to rectify identified shortcomings in the administration of the supplemental nutrition assistance program in the State, except where such direction would displace State initiatives already under way, to take specified steps to automate data processing systems or computerize information systems for the administration of the supplemental nutrition assistance program in the State if the Secretary finds that, in the absence of such systems, there will be program accountability or integrity problems that will substantially affect the administration of the supplemental nutrition assistance program in the State.

(5)(A) Subject to subparagraph (B), in the case of a plan for an automated data processing and information retrieval system submitted by a State agency to the Secretary under paragraph (2), such State agency shall—

(i) commence implementation of its plan not later than October 1, 1988; and

(ii) meet the time frames set forth in the plan.

(B) The Secretary shall extend a deadline imposed under subparagraph (A) to the extent the Secretary deems appropriate based on the Secretary's finding of a good faith effort of a State agency to implement its plan in accordance with subparagraph (A).

(p) STATE VERIFICATION OPTION.—In carrying out the supplemental nutrition assistance program, a State agency shall be required to use an immigration status verification system established under section 1137 of the Social Security Act (42 U.S.C. 1320b-7), and an income and eligibility verification system, in accordance with standards set by the Secretary.

(q) DENIAL OF BENEFITS FOR PRISONERS.—The Secretary shall assist States, to the maximum extent practicable, in implementing a system to conduct computer matches or other systems to prevent prisoners described in subsection (e)(18)(B) from participating in the supplemental nutrition assistance program as a member of any household.

(r) DENIAL OF BENEFITS FOR DECEASED INDIVIDUALS.—Each State agency shall—

(1) enter into a cooperative arrangement with the Commissioner of Social Security, pursuant to the authority of the Commissioner under section 205(r)(3) of the Social Security Act (42 U.S.C. 405(r)(3)), to obtain information on individuals who are deceased; and

(2) use the information to verify and otherwise ensure that benefits are not issued to individuals who are deceased.

(s) TRANSITIONAL BENEFITS OPTION.—

(1) IN GENERAL.—A State agency may provide transitional supplemental nutrition assistance program benefits—

- (A) to a household that ceases to receive cash assistance under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.); or
- (B) at the option of the State, to a household with children that ceases to receive cash assistance under a State-funded public assistance program.
- (2) TRANSITIONAL BENEFITS PERIOD.—Under paragraph (1), a household may receive transitional supplemental nutrition assistance program benefits for a period of not more than 5 months after the date on which cash assistance is terminated.

(C) both.

(2) REGULATIONS.—Regulations promulgated under this Act shall provide criteria for the finding of a violation of, the suspension or disqualification of and the assessment of a civil penalty against a retail food store or wholesale food concern on the basis of evidence that may include facts established through on-site investigations, inconsistent redemption data, or evidence obtained through a transaction report under an electronic benefit transfer system.

(b) PERIOD OF DISQUALIFICATION.—Subject to subsection (c), a disqualification under subsection (a) shall be—

(1) for a reasonable period of time, not to exceed 5 years, upon the first occasion of disqualification;

(2) for a reasonable period of time, not to exceed 10 years, upon the second occasion of disqualification;

(3) permanent upon—

(B) the first occasion or any subsequent occasion of a disqualification based on the purchase of coupons or trafficking in coupons or authorization cards by a retail food store or wholesale food concern or a finding of the unauthorized redemption, use, transfer, acquisition, alteration, or possession of EBT cards, except that the Secretary shall have the discretion to impose a civil penalty of up to \$20,000 for each violation (except that the amount of civil penalties imposed for violations occurring during a single investigation may not exceed \$40,000) in lieu of disqualification under this subparagraph, for such purchase of coupons or trafficking in coupons or cards that constitutes a violation of the provisions of this Act or the regulations issued pursuant to this Act, if the Secretary determines that there is substantial evidence that such store or food concern had an effective policy and program in effect to prevent violations of the Act and the regulations, including evidence that—

(i) the ownership of the store or food concern was not aware of, did not approve of, did not benefit from, and was not involved in the conduct of the violation; and

period that has not yet expired. If the retail food store or wholesale food concern has been disqualified permanently, the civil penalty shall be double the penalty for a ten-year disqualification period, as calculated under regulations issued by the Secretary. The disqualification period imposed under subsection (b) shall continue in effect as to the person or persons who sell or otherwise transfer ownership of the retail food store or wholesale food concern notwithstanding the imposition of a civil penalty under this subsection.

In such action, the validity and amount of such penalty shall not be subject to review.

The amount of any such fine shall be established by the Secretary and may be assessed and collected in accordance with regulations issued under this Act separately or in combination with any fiscal claim established by the Secretary. The Attorney General of the United States may institute judicial action in any court of competent jurisdiction against the store or concern to collect the fine.

The amount of any such fine shall be established by the Secretary and may be assessed and collected in accordance with regulations issued under this Act separately or in combination with any fiscal claim established by the Secretary. (B) the costs associated with the pilot project.

(5) FUNDING.—Any costs incurred by a State to operate pilot projects under this subsection that are in excess of the amount expended under this Act to identify, investigate, and reduce fraud described in paragraph (1)(A) in the respective State in the previous fiscal year shall not be eligible for Federal reimbursement under this Act.

#### COLLECTION AND DISPOSITION OF CLAIMS

SEC. 13. [7 U.S.C. 2022] (a) GENERAL AUTHORITY OF THE SECRETARY.—

(1) DETERMINATION OF CLAIMS.—Except in the case of an at-risk amount required under section 16(c)(1)(D)(i)(II), the Secretary shall have the power to determine the amount of and settle and adjust any claim and to compromise or deny all or part of any such claim or claims arising under the provisions of this Act or the regulations issued pursuant to this Act, including, but not limited to, claims arising from fraudulent and nonfraudulent overissuances to recipients, including the power to waive claims if the Secretary determines that to do so would serve the purposes of this Act. Such powers with respect to claims against recipients may be delegated by the Secretary to State agencies. The Secretary shall have the power to reduce amounts otherwise due to a State agency under section 16 of

this Act to collect unpaid claims assessed against the State agency if the State agency has declined or exhausted its appeal rights under section 14 of this Act.

(2) CLAIMS ESTABLISHED UNDER QUALITY CONTROL SYSTEM.—To the extent that a State agency does not pay a claim established under section 16(c)(1), including an agreement to have all or part of the claim paid through a reduction in Federal administrative funding, within 30 days from the date on which the bill for collection is received by the State agency, the State agency shall be liable for interest on any unpaid portion of such claim accruing from the date on which the bill for collection was received by the State agency, unless the State agency appeals the claim under section 16(c)(7). If the State agency appeals such claim (in whole or in part), the interest on any unpaid portion of the claim shall accrue from the date of the decision on the administrative appeal, or from a date that is 1 year after the date the bill is received, whichever is earlier, until the date the unpaid portion of the payment is received. If the State agency pays such claim (in whole or in part, including an agreement to have all or part of the claim paid through a reduction in Federal administrative funding) and the claim is subsequently overturned through administrative or judicial appeal, any amounts paid by the State agency shall be promptly returned with interest, accruing from the date the payment is received until the date the payment is returned.

(3) COMPUTATION OF INTEREST.—Any interest assessed under this paragraph shall be computed at a rate determined by the Secretary based on the average of the bond equivalent of the weekly 90-day Treasury bill auction rates during the period such interest accrues.

(4) JOINT AND SEVERAL LIABILITY OF HOUSEHOLD MEMBERS.—Each adult member of a household shall be jointly and severally liable for the value of any overissuance of benefits.

(b) COLLECTION OF OVERISSUANCES.—

(C) recovering from Federal pay or a Federal income tax refund under subsection (d); or

(D) any other means.

(2) COST EFFECTIVENESS.—Paragraph (1) shall not apply if the State agency demonstrates to the satisfaction of the Secretary that all of the means referred to in paragraph (1) are not cost effective.

(3) MAXIMUM REDUCTION ABSENT FRAUD.—If a household received an overissuance of benefits without any member of the household being found ineligible to participate in the program under section 6(b)(1) and a State agency elects to reduce the allotment of the household under paragraph (1)(A), the State

agency shall not reduce the monthly allotment of the household under paragraph (1)(A) by an amount in excess of the greater of—

- (A) 10 percent of the monthly allotment of the household; or

(4) PROCEDURES.—A State agency shall collect an overissuance of benefits issued to a household under paragraph (1) in accordance with the requirements established by the State agency for providing notice, electing a means of payment, and establishing a time schedule for payment.

(5) OVERISSUANCES CAUSED BY SYSTEMIC STATE ERRORS.—

(A) IN GENERAL.—If the Secretary determines that a State agency overissued benefits to a substantial number of households in a fiscal year as a result of a major systemic error by the State agency, as defined by the Secretary, the Secretary may prohibit the State agency from collecting these overissuances from some or all households.

(B) PROCEDURES.—

(i) INFORMATION REPORTING BY STATES.—Every State agency shall provide to the Secretary all information requested by the Secretary concerning the issuance of benefits to households by the State agency in the applicable fiscal year.

(ii) FINAL DETERMINATION.—After reviewing relevant information provided by a State agency, the Secretary shall make a final determination—

(I) whether the State agency overissued benefits to a substantial number of households as a result of a systemic error in the applicable fiscal year; and

(II) as to the amount of the overissuance in the applicable fiscal year for which the State agency is liable.

(iii) ESTABLISHING A CLAIM.—Upon determining under clause (ii) that a State agency has overissued benefits to households due to a major systemic error determined under subparagraph (A), the Secretary shall establish a claim against the State agency equal to the value of the overissuance caused by the systemic error.

(iv) ADMINISTRATIVE AND JUDICIAL REVIEW.—Administrative and judicial review, as provided in section 14, shall apply to the final determinations by the Secretary under clause (ii).

(v) REMISSION TO THE SECRETARY.—

(I) DETERMINATION NOT APPEALED.—If the determination of the Secretary under clause (ii) is not appealed, the State agency shall, as soon as practicable, remit to the Secretary the dollar amount specified in the claim under clause (iii).

(II) DETERMINATION APPEALED.—If the determination of the Secretary under clause (ii) is appealed, upon completion of administrative and ju-

ditional review under clause (iv), and a finding of liability on the part of the State, the appealing State agency shall, as soon as practicable, remit to the Secretary a dollar amount subject to the finding made in the administrative and judicial review.

(vi) ALTERNATIVE METHOD OF COLLECTION.—

(I) IN GENERAL.—If a State agency fails to make a payment under clause (v) within a reasonable period of time, as determined by the Secretary, the Secretary may reduce any amount due to the State agency under any other provision of this Act by the amount due.

(2) A State agency may determine on a periodic basis, from information supplied pursuant to section 3(b) of the Wagner-Peyser Act (29 U.S.C. 49b(b)), whether an individual receiving compensation under the State’s unemployment compensation law (including amounts payable pursuant to an agreement under a Federal unemployment compensation law) owes an uncollected overissuance.

(3) A State agency may recover an uncollected overissuance—

(A) by—

(i) entering into an agreement with an individual described in paragraph (2) under which specified amounts will be withheld from unemployment compensation otherwise payable to the individual; and

(ii) furnishing a copy of the agreement to the State agency administering the unemployment compensation law; or

(B) in the absence of an agreement, by obtaining a writ, order, summons, or other similar process in the nature of garnishment from a court of competent jurisdiction to require the withholding of amounts from the unemployment compensation.

(d) The amount of an overissuance of benefits, as determined under subsection (b)(1), that has not been recovered pursuant to such subsection may be recovered from Federal pay (including salaries and pensions) as authorized by section 5514 of title 5 of the United States Code or a Federal income tax refund as authorized by section 3720A of title 31, United States Code.

#### ADMINISTRATIVE AND JUDICIAL REVIEW

SEC. 14. [7 U.S.C. 2023] (a)(1) Whenever an application of a retail food store or wholesale food concern to participate in the sup-

(2) DELIVERY OF NOTICES.—A notice under paragraph (1) shall be delivered by any form of delivery that the Secretary determines will provide evidence of the delivery.

(3) If such store, concern, or State agency is aggrieved by such action, it may, in accordance with regulations promulgated under this Act, within ten days of the date of delivery of such notice, file a written request for an opportunity to submit information in support of its position to such person or persons as the regulations may designate.

(4) If such a request is not made or if such store, concern, or State agency fails to submit information in support of its position after filing a request, the administrative determination shall be final.

(5) If such request is made by such store, concern, or State agency, such information as may be submitted by the store, concern, or State agency, as well as such other information as may be available, shall be reviewed by the person or persons designated by the Secretary, who shall, subject to the right of judicial review hereinafter provided, make a determination which shall be final and which shall take effect thirty days after the date of the delivery or service of such final notice of determination.

(6) Determinations regarding claims made pursuant to section 16(c) (including determinations as to whether there is good cause for not imposing all or a portion of the penalty) shall be made on the record after opportunity for an agency hearing in accordance with section 556 and 557 of title 5, United States Code, in which one or more administrative law judges appointed pursuant to section 3105 of such title shall preside over the taking of evidence.

(7) Such judges shall have authority to issue and enforce subpoenas in the manner prescribed in sections 13 (c) and (d) of the Perishable Agricultural Commodities Act of 1930 (7 U.S.C. 499m (c) and (d)) and to appoint expert witnesses under the provisions of Rule 706 of the Federal Rules of Evidence.

(8) The Secretary may not limit the authority of such judges presiding over determinations regarding claims made pursuant to section 16(c).

(9) The Secretary shall provide a summary procedure for determinations regarding claims made pursuant to section 16(c) in amounts less than \$50,000.

(10) Such summary procedure need not include an oral hearing.

(11) On a petition by the State agency or sua sponte, the Secretary may permit the full administrative review procedure to be

used in lieu of such summary review procedure for a claim of less than \$50,000.

(12) Subject to the right of judicial review hereinafter provided, a determination made by an administrative law judge regarding a claim made pursuant to section 16(c) shall be final and shall take effect thirty days after the date of the delivery or service of final notice of such determination.

(13) If the store, concern, or State agency feels aggrieved by such final determination, it may obtain judicial review thereof by filing a complaint against the United States in the United States court for the district in which it resides or is engaged in business, or, in the case of a retail food store or wholesale food concern, in any court of record of the State having competent jurisdiction, within thirty days after the date of delivery or service of the final notice of determination upon it, requesting the court to set aside such determination.

(14) The copy of the summons and complaint required to be delivered to the official or agency whose order is being attacked shall be sent to the Secretary or such person or persons as the Secretary may designate to receive service of process.

(15) The suit in the United States district court or State court shall be a trial de novo by the court in which the court shall determine the validity of the questioned administrative action in issue, except that judicial review of determinations regarding claims made pursuant to section 16(c) shall be a review on the administrative record.

(16) If the court determines that such administrative action is invalid, it shall enter such judgment or order as it determines is in accordance with the law and the evidence.

(17) During the pendency of such judicial review, or any appeal therefrom, the administrative action under review shall be and remain in full force and effect, unless on application to the court on not less than ten days' notice, and after hearing thereon and a consideration by the court of the applicant's likelihood of prevailing on the merits and of irreparable injury, the court temporarily stays such administrative action pending disposition of such trial or appeal.

(18) **SUSPENSION OF STORES PENDING REVIEW.**—Notwithstanding any other provision of this subsection, any permanent disqualification of a retail food store or wholesale food concern under paragraph (3) or (4) of section 12(b) shall be effective from the date of receipt of the notice of disqualification. If the disqualification is reversed through administrative or judicial review, the Secretary shall not be liable for the value of any sales lost during the disqualification period.

(b) In any judicial action arising under this Act, any allotments found to have been wrongfully withheld shall be restored only for periods of not more than one year prior to the date of the commencement of such action, or in the case of an action seeking review of a final State agency determination, not more than one year prior to the date of the filing of a request with the State for the restoration of such allotments or, in either case, not more than one year prior to the date the State agency is notified or otherwise discovers the possible loss to a household.

The officials responsible for making determinations of ineligibility under this Act shall not receive or benefit from revenues retained by the State under the provisions of this subsection.

(b) WORK SUPPLEMENTATION OR SUPPORT PROGRAM.—

(1) DEFINITION OF WORK SUPPLEMENTATION OR SUPPORT PROGRAM.—In this subsection, the term “work supplementation or support program” means a program under which, as determined by the Secretary, public assistance (including any benefits provided under a program established by the State and the supplemental nutrition assistance program) is provided to an employer to be used for hiring and employing a public assistance recipient who was not employed by the employer at the time the public assistance recipient entered the program.

(2) PROGRAM.—A State agency may elect to use an amount equal to the allotment that would otherwise be issued to a household under the supplemental nutrition assistance program, but for the operation of this subsection, for the purpose of subsidizing or supporting a job under a work supplementation or support program established by the State.

(3) PROCEDURE.—If a State agency makes an election under paragraph (2) and identifies each household that participates in the supplemental nutrition assistance program that contains an individual who is participating in the work supplementation or support program—

(A) the Secretary shall pay to the State agency an amount equal to the value of the allotment that the household would be eligible to receive but for the operation of this subsection;

(B) the State agency shall expend the amount received under subparagraph (A) in accordance with the work supplementation or support program in lieu of providing the allotment that the household would receive but for the operation of this subsection;

(C) for purposes of—

(i) sections 5 and 8(a), the amount received under this subsection shall be excluded from household income and resources; and

(ii) section 8(b), the amount received under this subsection shall be considered to be the value of an allotment provided to the household; and

(D) the household shall not receive an allotment from the State agency for the period during which the member continues to participate in the work supplementation or support program.

(4) OTHER WORK REQUIREMENTS.—No individual shall be excused, by reason of the fact that a State has a work supplementation or support program, from any work requirement under section 6(d), except during the periods in which the individual is employed under the work supplementation or support program.

(5) LENGTH OF PARTICIPATION.—A State agency shall provide a description of how the public assistance recipients in the program shall, within a specific period of time, be moved from supplemented or supported employment to employment that is not supplemented or supported.

(6) DISPLACEMENT.—A work supplementation or support program shall not displace the employment of individuals who are not supplemented or supported.

(c) QUALITY CONTROL SYSTEM.—

(1) IN GENERAL.—

(A) SYSTEM.—

(i) IN GENERAL.—In carrying out the supplemental nutrition assistance program, the Secretary shall carry out a system that enhances payment accuracy and improves administration by establishing fiscal incentives that require State agencies with high payment error rates to share in the cost of payment error.

(ii) TOLERANCE LEVEL FOR EXCLUDING SMALL ERRORS.—The Secretary shall set the tolerance level for excluding small errors for the purposes of this subsection—

(I) for fiscal year 2014, at an amount not greater than \$37; and

(II) for each fiscal year thereafter, the amount specified in subclause (I) adjusted by the percentage by which the thrifty food plan is adjusted under section 3(u)(4) between June 30, 2013, and June 30 of the immediately preceding fiscal year.

(B) ADJUSTMENT OF FEDERAL SHARE OF ADMINISTRATIVE COSTS FOR FISCAL YEARS BEFORE FISCAL YEAR 2003.—

(i) IN GENERAL.—Subject to clause (ii), with respect to any fiscal year before fiscal year 2003, the Secretary shall adjust a State agency's federally funded share of administrative costs under subsection (a), other than the costs already shared in excess of 50 percent under the proviso in the first sentence of subsection (a) or under subsection (g), by increasing that share of all such administrative costs by 1 percentage point to a maximum of 60 percent of all such administrative costs for each full  $\frac{1}{10}$  of a percentage point by which the payment error rate is less than 6 percent.

(ii) LIMITATION.—Only States with a rate of invalid decisions in denying eligibility that is less than a nationwide percentage that the Secretary determines to be reasonable shall be entitled to the adjustment under clause (i).

(C) ESTABLISHMENT OF LIABILITY AMOUNT FOR FISCAL YEAR 2003 AND THEREAFTER.—With respect to fiscal year 2004 and any fiscal year thereafter for which the Secretary determines that, for the second or subsequent consecutive fiscal year, a 95 percent statistical probability exists that the payment error rate of a State agency exceeds 105 percent of the national performance measure for payment error rates announced under paragraph (6), the Secretary shall establish an amount for which the State agency may be liable (referred to in this paragraph as the "liability amount") that is equal to the product obtained by multiplying—

(i) the value of all allotments issued by the State agency in the fiscal year;

(ii) the difference between—

(I) the payment error rate of the State agency;

and

(II) 6 percent; and

(iii) 10 percent.

(D) AUTHORITY OF SECRETARY WITH RESPECT TO LIABILITY AMOUNT.—With respect to the liability amount established for a State agency under subparagraph (C) for any fiscal year, the Secretary shall—

(i)

(I) require that a portion, not to exceed 50 percent, of the liability amount established for the fiscal year be used by the State agency for new investment, approved by the Secretary, to improve administration by the State agency of the supplemental nutrition assistance program (referred to in this paragraph as the “new investment amount”), which new investment amount shall not be matched by Federal funds;

(II) designate a portion, not to exceed 50 percent, of the amount established for the fiscal year for payment to the Secretary in accordance with subparagraph (E) (referred to in this paragraph as the “at-risk amount”); or

(III) take any combination of the actions described in subclauses (I) and (II); or

(ii) make the determinations described in clause (i) and enter into a settlement with the State agency, only with respect to any new investment amount, before the end of the fiscal year in which the liability amount is determined under subparagraph (C).

(E) PAYMENT OF AT-RISK AMOUNT FOR CERTAIN STATES.—

(i) IN GENERAL.—A State agency shall pay to the Secretary the at-risk amount designated under subparagraph (D)(i)(II) for any fiscal year in accordance with clause (ii), if, with respect to the immediately following fiscal year, a liability amount has been established for the State agency under subparagraph (C).

(ii) METHOD OF PAYMENT OF AT-RISK AMOUNT.—

(I) REMISSION TO THE SECRETARY.—In the case of a State agency required to pay an at-risk amount under clause (i), as soon as practicable after completion of all administrative and judicial reviews with respect to that requirement to pay, the chief executive officer of the State shall remit to the Secretary the at-risk amount required to be paid.

(II) ALTERNATIVE METHOD OF COLLECTION.—

(aa) IN GENERAL.—If the chief executive officer of the State fails to make the payment under subclause (I) within a reasonable period of time determined by the Secretary, the Secretary may reduce any amount due to the State agency under any other provision of this section by the amount required to be paid under clause (i).

(bb) ACCRUAL OF INTEREST.—During any period of time determined by the Secretary under item (aa), interest on the payment under subclause (I) shall not accrue under section 13(a)(2).

(F) USE OF PORTION OF LIABILITY AMOUNT FOR NEW INVESTMENT.—

(i) **REDUCTION OF OTHER AMOUNTS DUE TO STATE AGENCY.**—In the case of a State agency that fails to comply with a requirement for new investment under subparagraph (D)(i)(I) or clause (iii)(I), the Secretary may reduce any amount due to the State agency under any other provision of this section by the portion of the liability amount that has not been used in accordance with that requirement.

(ii) **EFFECT OF STATE AGENCY'S WHOLLY PREVAILING ON APPEAL.**—If a State agency begins required new investment under subparagraph (D)(i)(I), the State agency appeals the liability amount of the State agency, and the determination by the Secretary of the liability amount is reduced to \$0 on administrative or judicial review, the Secretary shall pay to the State agency an amount equal to 50 percent of the new investment amount that was included in the liability amount subject to the appeal.

(iii) **EFFECT OF SECRETARY'S WHOLLY PREVAILING ON APPEAL.**—If a State agency does not begin required new investment under subparagraph (D)(i)(I), the State agency appeals the liability amount of the State agency, and the determination by the Secretary of the liability amount is wholly upheld on administrative or judicial review, the Secretary shall—

(I) require all or any portion of the new investment amount to be used by the State agency for new investment, approved by the Secretary, to improve administration by the State agency of the supplemental nutrition assistance program, which amount shall not be matched by Federal funds; and

(II) require payment of any remaining portion of the new investment amount in accordance with subparagraph (E)(ii).

(iv) **EFFECT OF NEITHER PARTY'S WHOLLY PREVAILING ON APPEAL.**—The Secretary shall promulgate regulations regarding obligations of the Secretary and the State agency in a case in which the State agency appeals the liability amount of the State agency and neither the Secretary nor the State agency wholly prevails.

(G) **CORRECTIVE ACTION PLANS.**—The Secretary shall foster management improvements by the States by requiring State agencies, other than State agencies with payment error rates of less than 6 percent, to develop and implement corrective action plans to reduce payment errors.

(2) As used in this section—

(A) the term “payment error rate” means the sum of the point estimates of an overpayment error rate and an underpayment error rate determined by the Secretary from data collected in a probability sample of participating households;

(B) the term “overpayment error rate” means the percentage of the value of all allotments issued in a fiscal year by a State agency that are either—

- (i) issued to households that fail to meet basic program eligibility requirements; or
- (ii) overissued to eligible households; and

(C) the term “underpayment error rate” means the ratio of the value of allotments underissued to recipient households to the total value of allotments issued in a fiscal year by a State agency.

(3) The following errors may be measured for management purposes but shall not be included in the payment error rate:

(A) Any errors resulting in the application of new regulations promulgated under this Act during the first 120 days from the required implementation date for such regulations.

(B) Errors resulting from the use by a State agency of correctly processed information concerning households or individuals received from Federal agencies or from actions based on policy information approved or disseminated, in writing, by the Secretary or the Secretary’s designee.

(4) REPORTING REQUIREMENTS.—The Secretary may require a State agency to report any factors that the Secretary considers necessary to determine a State agency’s payment error rate, liability amount or new investment amount under paragraph (1), or performance under the performance measures under subsection (d). If a State agency fails to meet the reporting requirements established by the Secretary, the Secretary shall base the determination on all pertinent information available to the Secretary.

(5) PROCEDURES.—To facilitate the implementation of this subsection, each State agency shall expeditiously submit to the Secretary data concerning the operations of the State agency in each fiscal year sufficient for the Secretary to establish the State agency’s payment error rate, liability amount or new investment amount under paragraph (1), or performance under the performance measures under subsection (d). The Secretary shall initiate efforts to collect the amount owed by the State agency as a claim established under paragraph (1) for a fiscal year, subject to the conclusion of any formal or informal appeal procedure and administrative or judicial review under section 14 (as provided for in paragraph (7)), before the end of the fiscal year following such fiscal year.

(6) NATIONAL PERFORMANCE MEASURE FOR PAYMENT ERROR RATES.—

(A) ANNOUNCEMENT.—At the time the Secretary makes the notification to State agencies of their error rates, the Secretary shall also announce a national performance measure that shall be the sum of the products of each State agency’s error rate as developed for the notifications under paragraph (8) times that State agency’s proportion of the total value of national allotments issued for the fiscal year using the most recent issuance data available at the time of the notifications issued pursuant to paragraph (8).

(B) USE OF ALTERNATIVE MEASURE OF STATE ERROR.—Where a State fails to meet reporting requirements pursuant to paragraph (4), the Secretary may use another measure of a State's error developed pursuant to paragraph (8), to develop the national performance measure.

(C) USE OF NATIONAL PERFORMANCE MEASURE.—The announced national performance measure shall be used in determining the liability amount of a State under paragraph (1)(C) for the fiscal year whose error rates are being announced under paragraph (8).

(D) NO ADMINISTRATIVE OR JUDICIAL REVIEW.—The national performance measure announced under this paragraph shall not be subject to administrative or judicial review.

(7) ADMINISTRATIVE AND JUDICIAL REVIEW.—

(B) DETERMINATION OF PAYMENT ERROR RATE.—With respect to any fiscal year, a determination of the payment error rate of a State agency or a determination whether the payment error rate exceeds 105 percent of the national performance measure for payment error rates shall be subject to administrative or judicial review only if the Secretary establishes a liability amount with respect to the fiscal year under paragraph (1)(C).

(C) AUTHORITY OF SECRETARY WITH RESPECT TO LIABILITY AMOUNT.—An action by the Secretary under subparagraph (D) or (F)(iii) of paragraph (1) shall not be subject to administrative or judicial review.

  - (ii) evidence in support of the appeal of the State agency, not later than 60 days after receiving a notice of the claim or liability amount.
- (E) Not later than 60 days after a State agency submits evidence in support of the appeal, the Secretary shall submit responsive evidence to the administrative law judge to the extent such evidence exists.
- (F) Not later than 30 days after the Secretary submits responsive evidence, the State agency shall submit rebuttal evidence to the administrative law judge to the extent such evidence exists.
- (G) The administrative law judge, after an evidentiary hearing, shall decide the appeal—
- (i) not later than 60 days after receipt of rebuttal evidence submitted by the State agency; or
  - (ii) if the State agency does not submit rebuttal evidence, not later than 90 days after the State agency submits the notice of appeal and evidence in support of the appeal.
- (H) In considering a claim or liability amount under this paragraph, the administrative law judge shall consider all grounds for denying the claim or liability amount, in whole or in part, including the contention of a State agency that the claim or liability amount should be waived, in whole or in part, for good cause.
- (I) The deadlines in subparagraphs (D), (E), (F), and (G) shall be extended by the administrative law judge for cause shown.

(vii) EVALUATION AND REPORTING.—

(I) INDEPENDENT EVALUATION.—

(aa) IN GENERAL.—The Secretary shall, under such terms and conditions as the Secretary determines to be appropriate, conduct

for each State agency that enters into a cooperative agreement under clause (i) an independent longitudinal evaluation of each pilot project of the State agency under this subparagraph, with results reported not less frequently than in consecutive 12-month increments.

(bb) PURPOSE.—The purpose of the independent evaluation shall be to measure the impact of employment and training programs and services provided by each State agency under the pilot projects on the ability of adults in each pilot project target population to find and retain employment that leads to increased household income and reduced reliance on public assistance, as well as other measures of household well-being, compared to what would have occurred in the absence of the pilot project.

(cc) METHODOLOGY.—The independent evaluation shall use valid statistical methods that can determine, for each pilot project, the difference, if any, between supplemental nutrition assistance and other public benefit receipt expenditures, employment, earnings and other impacts as determined by the Secretary—

(AA) as a result of the employment and training programs and services provided by the State agency under the pilot project; as compared to

(BB) a control group that is not subject to the employment and training programs and services provided by the State agency under the pilot project.

(II) REPORTING.—Not later than December 31, 2015, and each December 31 thereafter until the completion of the last evaluation under subclause (I), the Secretary shall submit to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate and share broadly, including by posting on the Internet website of the Department of Agriculture, a report that includes a description of—

(III) OTHER FUNDS.—In carrying out pilot projects, States may contribute additional funds obtained from other sources, including Federal, State, or private funds, on the condition that the use of the contributions is permissible under Federal law.

(2) If, in carrying out such program during such fiscal year, a State agency incurs costs that exceed the amount allocated to the State agency under paragraph (1), the Secretary shall pay such State agency an amount equal to 50 per centum of such additional costs, subject to the first limitation in paragraph (3), including the costs for case management and casework to facilitate the transition from economic dependency to self-sufficiency through work.

(3) The Secretary shall also reimburse each State agency in an amount equal to 50 per centum of the total amount of payments made or costs incurred by the State agency in connection with transportation costs and other expenses reasonably necessary and directly related to participation in an employment and training program under section 6(d)(4) or a pilot project under paragraph (1)(F), except that the amount of the reimbursement for dependent care expenses shall not exceed an amount equal to the payment made under section 6(d)(4)(I)(i)(II) but not more than the applicable local market rate, and such reimbursement shall not be made out of funds allocated under paragraph (1).

(4) Funds provided to a State agency under this subsection may be used only for operating an employment and training program under section 6(d)(4) or a pilot project under paragraph (1)(F), and may not be used for carrying out other provisions of this Act.

(ii) increasing the number of household members who obtain and retain employment subsequent to participation in the employment and training programs.

(B) REPORTING MEASURES.—

(i) IN GENERAL.—The Secretary, in consultation with the Secretary of Labor, shall develop State reporting measures that identify improvements in the skills, training, education, or work experience of members of households participating in the supplemental nutrition assistance program.

(ii) REQUIREMENTS.—Measures shall—

(I) be based on common measures of performance for Federal workforce training programs; and

(II) include additional indicators that reflect the challenges facing the types of members of households participating in the supplemental nutrition assistance program who participate in a specific employment and training component.

(iii) STATE REQUIREMENTS.—The Secretary shall require that each State employment and training plan submitted under section 11(e)(19) identifies appropriate reporting measures for each proposed component that serves a threshold number of participants determined by the Secretary of at least 100 people a year.

(iv) INCLUSIONS.—Reporting measures described in clause (iii) may include—

(I) the percentage and number of program participants who received employment and training services and are in unsubsidized employment subsequent to the receipt of those services;

(IV) subject to terms and conditions established by the Secretary, measures developed by each State agency to assess the skills acquisition of employment and training program participants that reflect the goals of the specific employment and training program components of the State agency, which may include, at a minimum—

(aa) the percentage and number of program participants who are meeting program requirements in each component of the education and training program of the State agency;

(bb) the percentage and number of program participants who are gaining skills likely to lead to employment as measured through testing, quantitative or qualitative assessment, or other method; and

(cc) the percentage and number of program participants who do not comply with employment and training requirements and who are ineligible under section 6(b); and

(V) other indicators approved by the Secretary.

(C) OVERSIGHT OF STATE EMPLOYMENT AND TRAINING ACTIVITIES.—The Secretary shall assess State employment and training programs on a periodic basis to ensure—

(i) compliance with Federal employment and training program rules and regulations;

(ii) that program activities are appropriate to meet the needs of the individuals referred by the State agency to an employment and training program component;

(iii) that reporting measures are appropriate to identify improvements in skills, training, work and experience for participants in an employment and training program component; and

(iv) for States receiving additional allocations under paragraph (1)(E), any information the Secretary may require to evaluate the compliance of the State agency with paragraph (1), which may include—

(I) a report for each fiscal year of the number of individuals in the State who meet the conditions of paragraph (1)(E)(ii), the number of individuals the State agency offers a position in a program described in subparagraph (B) or (C) of section 6(o)(2), and the number who participate in such a program;

(III) any additional information the Secretary determines to be appropriate.

(D) STATE REPORT.—Each State agency shall annually prepare and submit to the Secretary a report on the State employment and training program that includes, using measures identified under subparagraph (B), the numbers of supplemental nutrition assistance program participants who have gained skills, training, work, or experience that will increase the ability of the participants to obtain regular employment.

(E) MODIFICATIONS TO THE STATE EMPLOYMENT AND TRAINING PLAN.—Subject to terms and conditions established by the Secretary, if the Secretary determines that the performance of a State agency with respect to employment and training outcomes is inadequate, the Secretary may require the State agency to make modifications to the State employment and training plan to improve the outcomes.

(F) PERIODIC EVALUATION.—Subject to terms and conditions established by the Secretary, not later than October 1, 2016, and not less frequently than once every 5 years thereafter, the Secretary shall conduct a study to review existing practice and research to identify employment and training program components and practices that—

(i) effectively assist members of households participating in the supplemental nutrition assistance program in gaining skills, training, work, or experience that will increase the ability of the participants to obtain regular employment; and

(ii) are best integrated with statewide workforce development systems.

(i)(1) The Department of Agriculture may use quality control information made available under this section to determine which project areas have payment error rates (as defined in subsection (d)(1)) that impair the integrity of the supplemental nutrition assistance program.

(2) The Secretary may require a State agency to carry out new or modified procedures for the certification of households in areas identified under paragraph (1) if the Secretary determines such procedures would improve the integrity of the supplemental nutrition assistance program and be cost effective.

(j) Not later than 180 days after the date of the enactment of the Hunger Prevention Act of 1988 [enacted on September 19, 1988], and annually thereafter, the Secretary shall publish instructional materials specifically designed to be used by the State agency to provide intensive training to State agency personnel who undertake the certification of households that include a member who engages in farming.

(A) the annualized amount the State received under section 403(a)(3) of the Social Security Act (42 U.S.C. 603(a)(3) (as in effect during the base period)) for administrative costs common to determining the eligibility of individuals, families, and households eligible or applying for the AFDC program and the supplemental nutrition assistance program, the AFDC program and the medicaid program, and the AFDC program, the supplemental nutrition

assistance program, and the medicaid program that were allocated to the AFDC program; and

(B) the annualized amount the State would have received under section 403(a)(3) of the Social Security Act (42 U.S.C. 603(a)(3) (as so in effect)), section 1903(a)(7) of the Social Security Act (42 U.S.C. 1396b(a)(7) (as so in effect)), and subsection (a) of this section (as so in effect), for administrative costs common to determining the eligibility of individuals, families, and households eligible or applying for the AFDC program and the supplemental nutrition assistance program, the AFDC program and the medicaid program, and the AFDC program, the supplemental nutrition assistance program, and the medicaid program, if those costs had been allocated equally among such programs for which the individual, family, or household was eligible or applied for.

(ii) for each subsequent fiscal year, subparagraph

(A) applies.

(4) APPEAL OF DETERMINATIONS.—

## RESEARCH, DEMONSTRATION, AND EVALUATIONS

SEC. 17. [7 U.S.C. 2026] (a)(1) The Secretary may enter into contracts with or make grants to public or private organizations or agencies under this section to undertake research that will help improve the administration and effectiveness of the supplemental nutrition assistance program in delivering nutrition-related benefits. The waiver authority of the Secretary under subsection (b) shall extend to all contracts and grants under this section.

(2) The Secretary may, on application, permit not more than two State agencies to establish procedures that allow households whose monthly supplemental nutrition assistance program benefits do not exceed \$20, at their option, to receive, in lieu of their supplemental nutrition assistance program benefits for the initial period under section 8 and their regular allotment in following months, and at intervals of up to 3 months thereafter, aggregate allotments not to exceed \$60 and covering not more than 3 months' benefits. The allotments shall be provided in accordance with paragraphs (3) and (9) of section 11(e) (except that no household shall begin to receive combined allotments under this section until it has complied with all applicable verification requirements of section 11(e)(3)) and (with respect to the first aggregate allotment so issued) within 40 days of the last benefit issuance.

(b)(1)(A) The Secretary may conduct on a trial basis, in one or more areas of the United States, pilot or experimental projects designed to test program changes that might increase the efficiency of the supplemental nutrition assistance program and improve the delivery of supplemental nutrition assistance program benefits to eligible households, and may waive any requirement of this Act to the extent necessary for the project to be conducted.

## (B) PROJECT REQUIREMENTS.—

(i) PROGRAM GOAL.—The Secretary may not conduct a project under subparagraph (A) unless—

(I) the project is consistent with the goal of the supplemental nutrition assistance program of providing food assistance to raise levels of nutrition among low-income individuals; and

(II) the project includes an evaluation to determine the effects of the project.

(ii) **PERMISSIBLE PROJECTS.**—The Secretary may conduct a project under subparagraph (A) to—

- (I) improve program administration;
- (II) increase the self-sufficiency of supplemental nutrition assistance program recipients;
- (III) test innovative welfare reform strategies;

or

- (IV) allow greater conformity with the rules of other programs than would be allowed but for this paragraph.

(iii) **RESTRICTIONS ON PERMISSIBLE PROJECTS.**—If the Secretary finds that a project under subparagraph (A) would reduce benefits by more than 20 percent for more than 5 percent of households in the area subject to the project (not including any household whose benefits are reduced due to a failure to comply with work or other conduct requirements), the project—

- (I) may not include more than 15 percent of the number of households in the State receiving supplemental nutrition assistance program benefits; and

- (II) shall continue for not more than 5 years after the date of implementation, unless the Secretary approves an extension requested by the State agency at any time.

(iv) **IMPERMISSIBLE PROJECTS.**—The Secretary may not conduct a project under subparagraph (A) that—

- (I) involves the payment of the value of an allotment in the form of cash or otherwise providing benefits in a form not restricted to the purchase of food, unless the project was approved prior to the date of enactment of this subparagraph [August 22, 1996];

- (II) has the effect of substantially transferring funds made available under this Act to services or benefits provided primarily through another public assistance program, or using the funds for any purpose other than the purchase of food, program administration, or an employment or training program;

(III) is inconsistent with—

- (aa) paragraphs (4) and (5) of section 3(n);
- (bb) the last sentence of section 5(a), insofar as a waiver denies assistance to an otherwise eligible household or individual if the household or individual has not failed to comply with any work, behavioral, or other conduct requirement under this or another program;
- (cc) section 5(c)(2);
- (dd) paragraph (2)(B), (4)(F)(i), or (4)(K) of section 6(d);
- (ee) section 8(b);
- (ff) section 11(e)(2)(B);

- (gg) the time standard under section 11(e)(3);
- (hh) subsection (a), (c), (g), (h)(1)(F), (h)(2), or (h)(3) of section 16;
- (ii) this paragraph; or
- (jj) subsection (a)(1) or (g)(1) of section 20;
- (IV) modifies the operation of section 5 so as to have the effect of—
  - (aa) increasing the shelter deduction to households with no out-of-pocket housing costs or housing costs that consume a low percentage of the household's income; or
  - (bb) absolving a State from acting with reasonable promptness on substantial reported changes in income or household size (except that this subclause shall not apply with regard to changes related to supplemental nutrition assistance program deductions);
  - (V) is not limited to a specific time period;
  - (VI) waives a provision of section 26; or
  - (VII) waives a provision of section 7(i).

(v) **ADDITIONAL INCLUDED PROJECTS.**—A pilot or experimental project may include projects involving the payment of the value of allotments or the average value of allotments by household size in the form of cash to eligible households all of whose members are age sixty-five or over or any of whose members are entitled to supplemental security income benefits under title XVI of the Social Security Act [(42 U.S.C. 1381 et seq.)] or are receiving assistance under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.), the use of identification mechanisms that do not invade a household's privacy, and the use of food checks or other voucher-type forms in place of EBT cards.

(vi) **CASH PAYMENT PILOT PROJECTS.**—Subject to the availability of appropriations under section 18(a), any pilot or experimental project implemented under this paragraph and operating as of October 1, 1981, involving the payment of the value of allotments in the form of cash to eligible households all of whose members are either age sixty-five or over or entitled to supplemental security income benefits under title XVI of the Social Security Act [(42 U.S.C. 1381 et seq.)] shall be continued if the State so requests.

(C)(i) No waiver or demonstration program shall be approved under this Act after the date of enactment of this subparagraph unless—

(I) any household whose food assistance is issued in a form other than EBT cards has its allotment increased to the extent necessary to compensate for any State or local sales tax that may be collected in all or part of the area covered by the demonstration project, the tax on purchases of food by any such

household is waived, or the Secretary determines on the basis of information provided by the State agency that the increase is unnecessary on the basis of the limited nature of the items subject to the State or local sales tax; and

(II) the State agency conducting the demonstration project pays the cost of any increased allotments.

(ii) Clause (i) shall not apply if a waiver or demonstration project already provides a household with assistance that exceeds that which the household would otherwise be eligible to receive by more than the estimated amount of any sales tax on the purchases of food that would be collected from the household in the project area in which the household resides.

(D) RESPONSE TO WAIVERS.—

(i) RESPONSE.—Not later than 60 days after the date of receiving a request for a waiver under subparagraph (A), the Secretary shall provide a response that—

(I) approves the waiver request;

(II) denies the waiver request and describes any modification needed for approval of the waiver request;

(III) denies the waiver request and describes the grounds for the denial; or

(IV) requests clarification of the waiver request.

(ii) FAILURE TO RESPOND.—If the Secretary does not provide a response in accordance with clause (i), the waiver shall be considered approved, unless the approval is specifically prohibited by this Act.

(iii) NOTICE OF DENIAL.—On denial of a waiver request under clause (i)(III), the Secretary shall provide a copy of the waiver request and a description of the reasons for the denial to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate.

(2) The Secretary shall, jointly with the Secretary of Labor, implement two pilot projects involving the performance of work in return for supplemental nutrition assistance program benefits in each of the seven administrative regions of the Food and Nutrition Service of the Department of Agriculture, such projects to be (A) appropriately divided in each region between locations that are urban and rural in characteristics and among locations selected to provide a representative cross-section of political subdivisions in the States and (B) submitted for approval prior to project implementation, together with the names of the agencies or organizations that will be engaged in such projects, to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate. Under such pilot projects, any person who is subject to the work registration requirements pursuant to section 6(d) of this Act, and is a member of a household that does not have earned income equal to or exceeding the allotment to which the household is otherwise entitled pursuant to section 8(a) of this Act, shall be ineligible to participate in the supplemental nutrition assistance program as a member of

any household during any month in which such person refuses, after not being offered employment in the private sector of the economy for more than thirty days (ten days in at least one pilot project area designated by the Secretary) after the initial registration for employment referred to in section 6(d)(1)(A)(i) of this Act, to accept an offer of employment from a political subdivision or provider pursuant to a program carried out under title I of the Workforce Innovation and Opportunity Act, for which employment compensation shall be paid in the form of the allotment to which the household is otherwise entitled pursuant to section 8(a) of this Act, with each hour of employment entitling the household to a portion of the allotment equal in value to 100 per centum of the Federal minimum hourly rate under the Fair Labor Standards Act of 1938, as amended (29 U.S.C. 206(a)(1)); which employment shall not, together with any other hours worked in any other capacity by such person exceed forty hours a week; and which employment shall not be used by the employer to fill a job opening created by the action of such employer in laying off or terminating the employment of any regular employee not supported under this paragraph in anticipation of filling the vacancy so created by hiring an employee or employees to be supported under this paragraph, if all of the jobs supported under the program have been made available to participants in the program before the political subdivision or provider providing the jobs extends an offer of employment under this paragraph, and if the political subdivision or provider, in employing the person, complies with the requirements of Federal law that relate to the program. The Secretary and the Secretary of Labor shall jointly issue reports to the appropriate committees of Congress on the progress of such pilot projects no later than six and twelve months following enactment of this Act [Amendatory Act enacted on September 29, 1977.], shall issue interim reports no later than October 1, 1979, October 1, 1980, and March 30, 1981, shall issue a final report describing the results of such pilot projects based upon their operation from their commencement through the fiscal year ending September 30, 1981, and shall pay to the agencies or organizations operating such pilot projects 50 per centum of all administrative costs involved in such operation.

(3)(A) The Secretary may conduct demonstration projects to test improved consistency or coordination between the supplemental nutrition assistance program employment and training program and the Job Opportunities and Basic Skills program under title IV of the Social Security Act (42 U.S.C. 601 et seq.).

(B) Notwithstanding paragraph (1), the Secretary may, as part of a project authorized under this paragraph, waive requirements under section 6(d) to permit a State to operate an employment and training program for supplemental nutrition assistance program recipients on the same terms and conditions under which the State operates its Job Opportunities and Basic Skills program for recipients of aid to families with dependent children under part F of title IV of the Social Security Act (42 U.S.C. 681 et seq.). Any work experience program conducted as part of the project shall be conducted in conformity with section 482(f) of such Act (42 U.S.C. 682(f)).

(C) A State seeking such a waiver shall provide assurances that the resulting employment and training program shall meet the requirements of subsections (a)(19) and (g) of section 402 of such Act (42 U.S.C. 602) (but not including the provision of transitional benefits under clauses (ii) through (vii) of section 402(g)(1)(A)) and sections 481 through 487 of such Act (42 U.S.C. 681 through 687). Each reference to “aid to families with dependent children” in such sections shall be deemed to be a reference to supplemental nutrition assistance program benefits for purposes of the demonstration project.

(D) Notwithstanding the other provisions of this paragraph, participation in an employment and training activity in which supplemental nutrition assistance program benefits are converted to cash shall occur only with the consent of the participant.

(E) For the purposes of any project conducted under this paragraph, the provisions of this Act affecting the rights of recipients may be waived to the extent necessary to conform to the provisions of section 402, and sections 481 through 487, of the Social Security Act.

(F) At least 60 days prior to granting final approval of a project under this paragraph, the Secretary shall publish the terms and conditions for any demonstration project conducted under the paragraph for public comment in the Federal Register and shall notify the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate.

(G) Waivers may be granted under this paragraph to conduct projects at any one time in a total of up to 60 project areas (or parts of project areas), as such areas are defined in regulations in effect on January 1, 1990.

(H) A waiver for a change in program rules may be granted under this paragraph only for a demonstration project that has been approved by the Secretary, that will be evaluated according to criteria prescribed by the Secretary, and that will be in operation for no more than 4 years.

(I) The Secretary may not grant a waiver under this paragraph on or after the date of enactment of this subparagraph [Aug. 22, 1996]. Any reference in this paragraph to a provision of title IV of the Social Security Act shall be deemed to be a reference to such provision as in effect on the day before such date.

(c) The Secretary shall develop and implement measures for evaluating, on an annual or more frequent basis, the effectiveness of the supplemental nutrition assistance program in achieving its stated objectives, including, but not limited to, the program’s impact upon the nutritional and economic status of participating households, the program’s impact upon all sectors of the agricultural economy, including farmers and ranchers, as well as retail food stores, and the program’s relative fairness to households of different income levels, different age composition, different size, and different regions of residence. Further, the Secretary shall, by way of making contracts with or grants to public or private organizations or agencies, implement pilot programs to test various means of measuring on a continuing basis the nutritional status of low income people, with special emphasis on people who are eligible for

supplemental nutrition assistance, in order to develop minimum common criteria and methods for systematic nutrition monitoring that could be applied on a nationwide basis. The locations of the pilot programs shall be selected to provide a representative geographic and demographic cross-section of political subdivisions that reflect natural usage patterns of health and nutritional services and that contain high proportions of low income people. The Secretary shall report on the progress of these pilot programs on an annual basis commencing on July 1, 1982, to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate, together with such recommendations as the Secretary deems appropriate.

(d) EMPLOYMENT INITIATIVES PROGRAM.—

(1) ELECTION TO PARTICIPATE.—

(A) IN GENERAL.—Subject to the other provisions of this subsection, a State may elect to carry out an employment initiatives program under this subsection.

(B) REQUIREMENT.—A State shall be eligible to carry out an employment initiatives program under this subsection only if not less than 50 percent of the households in the State that received supplemental nutrition assistance program benefits during the summer of 1993 also received benefits under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) during the summer of 1993.

(2) PROCEDURE.—

(A) IN GENERAL.—A State that has elected to carry out an employment initiatives program under paragraph (1) may use amounts equal to the allotments that would otherwise be issued to a household under the supplemental nutrition assistance program, but for the operation of this subsection, to provide cash benefits in lieu of the allotments to the household if the household is eligible under paragraph (3).

(B) PAYMENT.—The Secretary shall pay to each State that has elected to carry out an employment initiatives program under paragraph (1) an amount equal to the value of the allotment that each household participating in the program in the State would be eligible to receive under this Act but for the operation of this subsection.

(C) OTHER PROVISIONS.—For purposes of the supplemental nutrition assistance program (other than this subsection)—

(i) cash assistance under this subsection shall be considered to be an allotment; and

(ii) each household receiving cash benefits under this subsection shall not receive any other supplemental nutrition assistance program benefits during the period for which the cash assistance is provided.

(D) ADDITIONAL PAYMENTS.—Each State that has elected to carry out an employment initiatives program under paragraph (1) shall—

(i) increase the cash benefits provided to each household participating in the program in the State

under this subsection to compensate for any State or local sales tax that may be collected on purchases of food by the household, unless the Secretary determines on the basis of information provided by the State that the increase is unnecessary on the basis of the limited nature of the items subject to the State or local sales tax; and

(ii) pay the cost of any increase in cash benefits required by clause (i).

(3) **ELIGIBILITY.**—A household shall be eligible to receive cash benefits under paragraph (2) if an adult member of the household—

(A) has worked in unsubsidized employment for not less than the preceding 90 days;

(B) has earned not less than \$350 per month from the employment referred to in subparagraph (A) for not less than the preceding 90 days;

(C)(i) is receiving benefits under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.); or

(ii) was receiving benefits under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) at the time the member first received cash benefits under this subsection and is no longer eligible for the State program because of earned income;

(D) is continuing to earn not less than \$350 per month from the employment referred to in subparagraph (A); and

(E) elects to receive cash benefits in lieu of supplemental nutrition assistance program benefits under this subsection.

(4) **EVALUATION.**—A State that operates a program under this subsection for 2 years shall provide to the Secretary a written evaluation of the impact of cash assistance under this subsection. The State agency, with the concurrence of the Secretary, shall determine the content of the evaluation.

(e) The Secretary shall conduct a study of the effects of reductions made in benefits provided under this Act pursuant to part 1 of subtitle A of title I of the Omnibus Budget Reconciliation Act of 1981, the Food Stamp and Commodity Distribution Amendments of 1981, the Food Stamp Act Amendments of 1982, and any other laws enacted by the Ninety-seventh Congress which affect the supplemental nutrition assistance program. The study shall include a study of the effect of retrospective accounting and periodic reporting procedures established under such Acts, including the impact on benefit and administrative costs and on error rates and the degree to which eligible households are denied supplemental nutrition assistance program benefits for failure to file complete periodic reports. The Secretary shall submit to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate an interim report on the results of such study no later than February 1, 1984, and a final report on the results of such study no later than March 1, 1985.

(f) In order to encourage States to plan, design, develop, and implement a system for making supplemental nutrition assistance program benefits available through the use of intelligent benefit cards or other automated or electronic benefit delivery systems, the Secretary may conduct one or more pilot or experimental projects, subject to the restrictions imposed by subsection (b)(1) and section 7(f)(2), designed to test whether the use of such cards or systems can enhance the efficiency and effectiveness of program operations while ensuring that individuals receive correct benefit amounts on a timely basis. Intelligent benefit cards developed under such a demonstration project shall contain information, encoded on a computer chip embedded in a credit card medium, including the eligibility of the individual and the amount of benefits to which such individual is entitled. Any other automated or electronic benefit delivery system developed under such a demonstration project shall be able to use a plastic card to access such information from a data file.

(g) In order to assess the effectiveness of the employment and training programs established under section 6(d) in placing individuals into the work force and withdrawing such individuals from the supplemental nutrition assistance program, the Secretary is authorized to carry out studies comparing the pre- and post-program labor force participation, wage rates, family income, level of receipt of supplemental nutrition assistance program and other transfer payments, and other relevant information, for samples of participants in such employment and training programs as compared to the appropriate control or comparison groups that did not participate in such programs. Such studies shall, to the maximum extent possible—

(1) collect such data for up to 3 years after the individual has completed the employment and training program; and

(2) yield results that can be generalized to the national program as a whole.

The results of such studies and reports shall be considered in developing or updating the performance standards required under section 6.

(h) The Secretary shall conduct a sufficient number of demonstration projects to evaluate the effects, in both rural and urban areas, of including in financial resources under section 5(g) the fair market value of licensed vehicles to the extent the value of each vehicle exceeds \$4,500, but excluding the value of—

(1) any licensed vehicle that is used to produce earned income, necessary for transportation of an elderly or physically disabled household member, or used as the household's home; and

(2) one licensed vehicle used to obtain, continue, or seek employment (including travel to and from work), used to pursue employment-related education or training, or used to secure food or the benefits of the supplemental nutrition assistance program.

(i) The Secretary shall conduct, under such terms and conditions as the Secretary shall prescribe, for a period not to exceed 4 years, projects to test allowing not more than 11,000 eligible households, in the aggregate, to accumulate resources up to \$10,000 each

(which shall be excluded from consideration as a resource) for later expenditure for a purpose directly related to improving the education, training, or employability (including self-employment) of household members, for the purchase of a home for the household, for a change of the household's residence, or for making major repairs to the household's home.

(j) The Secretary shall use up to \$4,000,000 of the funds provided in advance in appropriations Acts for projects authorized by this section to conduct demonstration projects in which State or local supplemental nutrition assistance program agencies test innovative ideas for working with State or local law enforcement agencies to investigate and prosecute benefit trafficking.

(k) PILOT PROJECTS TO EVALUATE HEALTH AND NUTRITION PROMOTION IN THE SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM.—

(1) IN GENERAL.—The Secretary shall carry out, under such terms and conditions as the Secretary considers to be appropriate, pilot projects to develop and test methods—

(A) of using the supplemental nutrition assistance program to improve the dietary and health status of households eligible for or participating in the supplemental nutrition assistance program; and

(B) to reduce overweight, obesity (including childhood obesity), and associated co-morbidities in the United States.

(2) GRANTS.—

(A) IN GENERAL.—In carrying out this subsection, the Secretary may enter into competitively awarded contracts or cooperative agreements with, or provide grants to, public or private organizations or agencies (as defined by the Secretary), for use in accordance with projects that meet the strategy goals of this subsection.

(i) identification of a low-income target audience that corresponds to individuals living in households with incomes at or below 185 percent of the poverty level;

(ii) incorporation of a scientifically based strategy that is designed to improve diet quality through more healthful food purchases, preparation, or consumption;

(iii) a commitment to a pilot project that allows for a rigorous outcome evaluation, including data collection;

(iv) strategies to improve the nutritional value of food served during school hours and during after-school hours;

(v) innovative ways to provide significant improvement to the health and wellness of children;

(vi) other criteria, as determined by the Secretary.

(D) USE OF FUNDS.—Funds provided under this paragraph shall not be used for any project that limits the use of benefits under this Act.

(3) PROJECTS.—Pilot projects carried out under paragraph (1) may include projects to determine whether healthier food purchases by and healthier diets among households participating in the supplemental nutrition assistance program result from projects that—

(A) increase the supplemental nutrition assistance purchasing power of the participating households by providing increased supplemental nutrition assistance program benefit allotments to the participating households;

(B) increase access to farmers markets by participating households through the electronic redemption of supplemental nutrition assistance program benefits at farmers' markets;

(C) provide incentives to authorized supplemental nutrition assistance program retailers to increase the availability of healthy foods to participating households;

(D) subject authorized supplemental nutrition assistance program retailers to stricter retailer requirements with respect to carrying and stocking healthful foods;

(E) provide incentives at the point of purchase to encourage households participating in the supplemental nutrition assistance program to purchase fruits, vegetables, or other healthful foods; or

(F) provide to participating households integrated communication and education programs, including the provision of funding for a portion of a school-based nutrition coordinator to implement a broad nutrition action plan and parent nutrition education programs in elementary schools, separately or in combination with pilot projects carried out under subparagraphs (A) through (E).

(4) EVALUATION AND REPORTING.—

(A) EVALUATION.—

(i) INDEPENDENT EVALUATION.—

(I) IN GENERAL.—The Secretary shall provide for an independent evaluation of projects selected under this subsection that measures the impact of the pilot program on health and nutrition as described in paragraph (1).

(II) REQUIREMENT.—The independent evaluation under subclause (I) shall use rigorous methodologies, particularly random assignment or other methods that are capable of producing scientifically valid information regarding which activities are effective.

(ii) COSTS.—The Secretary may use funds provided to carry out this section to pay costs associated with monitoring and evaluating each pilot project.

(B) REPORTING.—Not later than 90 days after the last day of fiscal year 2009 and each fiscal year thereafter until the completion of the last evaluation under subparagraph (A), the Secretary shall submit to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report that includes a description of—

- (i) the status of each pilot project;
- (ii) the results of the evaluation completed during the previous fiscal year; and
- (iii) to the maximum extent practicable—

(I) the impact of the pilot project on appropriate health, nutrition, and associated behavioral outcomes among households participating in the pilot project;

(II) baseline information relevant to the stated goals and desired outcomes of the pilot project; and

(III) equivalent information about similar or identical measures among control or comparison groups that did not participate in the pilot project.

(C) PUBLIC DISSEMINATION.—In addition to the reporting requirements under subparagraph (B), evaluation results shall be shared broadly to inform policy makers, service providers, other partners, and the public in order to promote wide use of successful strategies.

(5) FUNDING.—

(A) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated such sums as are necessary to carry out this section for each of fiscal years 2008 through 2012.

(B) MANDATORY FUNDING.—Out of any funds made available under section 18, on October 1, 2008, the Secretary shall make available \$20,000,000 to carry out a project described in paragraph (3)(E), to remain available until expended.

(1) COOPERATION WITH PROGRAM RESEARCH AND EVALUATION.—Subject to the requirements of this Act, including protections under section 11(e)(8), States, State agencies, local agencies, institutions, facilities such as data consortiums, and contractors participating in programs authorized under this Act shall—

(1) cooperate with officials and contractors acting on behalf of the Secretary in the conduct of evaluations and studies under this Act; and

(2) submit information at such time and in such manner as the Secretary may require.

#### AUTHORIZATION 4030FOR APPROPRIATIONS

SEC. 18. [7 U.S.C. 2027] (a)(1) To carry out this Act, there are authorized to be appropriated such sums as are necessary for each of fiscal years 2008 through 2018. Not to exceed one-fourth of 1 per centum of the previous year's appropriation is authorized in each such fiscal year to carry out the provisions of section 17 of this Act, subject to paragraph (3).

(2) No funds authorized to be appropriated under this Act or any other Act of Congress shall be used by any person, firm, corporation, group, or organization at any time, directly or indirectly, to interfere with or impede the implementation of any provision of this Act or any rule, regulation, or project thereunder, except that this limitation shall not apply to the provision of legal and related assistance in connection with any proceeding or action before any State or Federal agency or court. The President shall ensure that this paragraph is complied with by such order or other means as the President deems appropriate.

(3)(A) Of the amounts made available under the second sentence of paragraph (1), not more than \$2,000,000 in any fiscal year may be used by the Secretary to make 2-year competitive grants that will—

(i) enhance interagency cooperation in nutrition education activities; and

(ii) develop cost effective ways to inform people eligible for supplemental nutrition assistance program benefits about nutrition, resource management, and community nutrition education programs, such as the expanded food and nutrition education program.

(B) The Secretary shall make awards under this paragraph to one or more State cooperative extension services (as defined in section 1404 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (7 U.S.C. 3103)) who shall administer the grants in coordination with other State or local agencies serving low-income people.

(C) Each project shall include an evaluation component and shall develop an implementation plan for replication in other States.

(D) The Secretary shall report to the appropriate committees of Congress on the results of the projects and shall disseminate the results through the cooperative extension service system and to State human services and health department offices, local supplemental nutrition assistance program offices, and other entities serving low-income households.

(b) In any fiscal year, the Secretary shall limit the value of those allotments issued to an amount not in excess of the appropriation for such fiscal year. Notwithstanding any other provision of this Act, if in any fiscal year the Secretary finds that the requirements of participating States will exceed the appropriation, the Secretary shall direct State agencies to reduce the value of such allotments to be issued to households certified as eligible to participate in the supplemental nutrition assistance program to the extent necessary to comply with the provisions of this subsection.

(c) In prescribing the manner in which allotments will be reduced under subsection (b) of this section, the Secretary shall ensure that such reductions reflect, to the maximum extent practicable, the ratio of household income, determined under sections 5(d) and 5(e) of this Act, to the income standards of eligibility, for households of equal size, determined under section 5(c) of this Act. The Secretary may, in prescribing the manner in which allotments will be reduced, establish (1) special provisions applicable to persons sixty years of age or over and persons who are physically or

mentally handicapped or otherwise disabled, and (2) minimum allotments after any reductions are otherwise determined under this section.

(d) Not later than sixty days after the issuance of a report under subsection (a) of this section in which the Secretary expresses the belief that reductions in the value of allotments to be issued to households certified to participate in the supplemental nutrition assistance program will be necessary, the Secretary shall take the requisite action to reduce allotments in accordance with the requirements of this section. Not later than seven days after the Secretary takes any action to reduce allotments under this section, the Secretary shall furnish the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a statement setting forth (1) the basis of the Secretary's determination, (2) the manner in which the allotments will be reduced, and (3) the action that has been taken by the Secretary to reduce the allotments.

(e) Funds collected from claims against households or State agencies, including claims collected pursuant to section 7(f), subsections (g) and (h) of section 11, subsections (b) and (c) of section 13, and section 16(c)(1), claims resulting from resolution of audit findings, and claims collected from households receiving overissuances, shall be credited to the supplemental nutrition assistance program appropriation account for the fiscal year in which the collection occurs. Funds provided to State agencies under section 16(c) of this Act shall be paid from the appropriation account for the fiscal year in which the funds are provided.

(f) No funds appropriated to carry out this Act may be transferred to the Office of the Inspector General, or the Office of the General Counsel, of the Department of Agriculture.

(g) **BAN ON RECRUITMENT AND PROMOTION ACTIVITIES.**—

(1) **IN GENERAL.**—Except as provided in paragraph (2), no funds authorized to be appropriated under this Act shall be used by the Secretary for—

(C) any agreements with foreign governments designed to promote supplemental nutrition assistance program benefits and enrollment.

(2) **LIMITATION.**—Paragraph (1)(B) shall not apply to programmatic activities undertaken with respect to benefits made under section 5(h).

(h) **BAN ON RECRUITMENT BY ENTITIES THAT RECEIVE FUNDS.**—

The Secretary shall issue regulations that prohibit entities that receive funds under this Act to compensate any person for conducting outreach activities relating to participation in, or for recruiting individuals to apply to receive benefits under, the supplemental nutrition assistance program, if the amount of the compensation would be based on the number of individuals who apply to receive the benefits.

(ii) subject to the availability of appropriations under section 18(a), for each fiscal year thereafter, the amount specified in clause (i), as adjusted by the percentage by which the thrifty food plan has been adjusted under section 3(u)(4) between June 30, 2002, and June 30 of the immediately preceding fiscal year.

**(B) PAYMENTS TO COMMONWEALTH OF PUERTO RICO.—**

**(i) IN GENERAL.—**For fiscal year 2003 and each fiscal year thereafter, the Secretary shall use 99.6 percent of the funds made available under subparagraph (A) for payment to the Commonwealth of Puerto Rico to pay—

(D) CARRYOVER OF FUNDS.—For fiscal year 2002 and each fiscal year thereafter, not more than 2 percent of the funds made available under this paragraph for the fiscal year to each governmental entity may be carried over to the following fiscal year.

(3) TIME AND MANNER OF PAYMENTS TO COMMONWEALTH OF PUERTO RICO.—The Secretary shall, subject to the provisions of subsection (b), pay to the Commonwealth for the applicable fiscal year, at such times and in such manner as the Secretary may determine, the amount estimated by the Commonwealth pursuant to subsection (b)(1)(A)(iv), reduced or increased to the extent of any prior overpayment or current underpayment which the Secretary determines has been made under this section and with respect to which adjustment has not already been made under this subsection.

(b)(1)(A) In order to receive payments under this Act for any fiscal year, the Commonwealth shall have a plan for that fiscal year approved by the Secretary under this section. By July 1 of each year, if the Commonwealth wishes to receive payments, it shall submit a plan for the provision of the assistance described in subsection (a)(2)(B) for the following fiscal year which—

(iii) describes the program for the provision of such assistance, including the assistance to be provided and the persons to whom such assistance will be provided, and any agencies designated to provide such assistance, which program must meet such requirements as the Secretary may by regulation prescribe for the purpose of assuring that assistance is provided to the most needy persons in the jurisdiction;

(iv) estimates the amount of expenditures necessary for the provision of the assistance described in the program and related administrative expenses, up to the amount provided for payment by subsection (a)(2)(B); and

(v) includes such other information as the Secretary may require.

(B)(i) The Secretary shall approve or disapprove any plan submitted pursuant to subparagraph (A) no later than August 1 of the year in which it is submitted. The Secretary shall approve any plan which complies with the requirements of subparagraph (A). If a plan is disapproved because it does not comply with any of the requirements of that paragraph the Secretary shall, except as provided in subparagraph (B)(ii), notify the appropriate agency in the Commonwealth that payments will not be made to it under subsection (a) for the fiscal year to which the plan applies until the Secretary is satisfied that there is no longer any such failure to comply, and until the Secretary is so satisfied, the Secretary will make no payments.

(ii) The Secretary may suspend the denial of payments under subparagraph (B)(i) for such period as the Secretary determines appropriate and instead withhold payments provided for under subsection (a), in whole or in part, for the fiscal year to which the plan applies, until the Secretary is satisfied that there is no longer any failure to comply with the requirements of subparagraph (A), at which time such withheld payments shall be paid.

(2)(A) The Commonwealth shall provide for a biennial audit of expenditures under its program for the provision of the assistance described in subsection (a)(2)(B), and within 120 days of the end of each fiscal year in which the audit is made, shall report to the Secretary the findings of such audit.

(B) Within 120 days of the end of the fiscal year, the Commonwealth shall provide the Secretary with a statement as to whether the payments received under subsection (a) for that fiscal year exceeded the expenditures by it during that year for which payment is authorized under this section, and if so, by how much, and such other information as the Secretary may require.

(C)(i) If the Secretary finds that there is a substantial failure by the Commonwealth to comply with any of the requirements of subparagraphs (A) and (B), or to comply with the requirements of subsection (b)(1)(A) in the administration of a plan approved under subsection (b)(1)(B), the Secretary shall, except as provided in subparagraph (C)(ii), notify the appropriate agency in the Commonwealth that further payments will not be made to it under subsection (a) until the Secretary is satisfied that there will no longer be any such failure to comply, and until the Secretary is so satisfied, the Secretary shall make no further payments.

(ii) The Secretary may suspend the termination of payments under subparagraph (C)(i) for such period as the Secretary determines appropriate, and instead withhold payments provided for under subsection (a), in whole or in part, until the Secretary is satisfied that there will no longer be any failure to comply with the requirements of subparagraphs (A) and (B) and subsection (b)(1)(A), at which time such withheld payments shall be paid.

(iii) Upon a finding under subparagraph (C)(i) of a substantial failure to comply with any of the requirements of subparagraphs (A) and (B) and subsection (b)(1)(A), the Secretary may, in addition to or in lieu of any action taken under subparagraphs (C)(i) and (C)(ii), refer the matter to the Attorney General with a request that injunctive relief be sought to require compliance by the Commonwealth of Puerto Rico, and upon suit by the Attorney General in an appropriate district court of the United States and a showing that noncompliance has occurred, appropriate injunctive relief shall issue.

(c)(1) The Secretary shall provide for the review of the programs for the provision of the assistance described in subsection (a)(2)(A) for which payments are made under this Act.

(2) The Secretary is authorized as the Secretary deems practicable to provide technical assistance with respect to the programs for the provision of the assistance described in subsection (a)(2)(A).

(d) Whoever knowingly and willfully embezzles, misapplies, steals, or obtains by fraud, false statement, or forgery, any funds, assets, or property provided or financed under this section shall be

fined not more than \$10,000 or imprisoned for not more than five years, or both, but if the value of the funds, assets or property involved is not over \$200, the penalty shall be a fine of not more than \$1,000 or imprisonment for not more than one year, or both.

(e) REVIEW, REPORT, AND REGULATION OF CASH NUTRITION ASSISTANCE PROGRAM BENEFITS PROVIDED IN PUERTO RICO.—

(1) REVIEW.—The Secretary, in consultation with the Secretary of Health and Human Services, shall carry out a review of the provision of nutrition assistance in Puerto Rico in the form of cash benefits under this section that shall include—

(A) an examination of the history of and purpose for distribution of a portion of monthly benefits in the form of cash;

(B) an examination of current barriers to the redemption of non-cash benefits by current program participants and retailers;

(C) an examination of current usage of cash benefits for the purchase of non-food and other prohibited items;

(D) an identification and assessment of potential adverse effects of the discontinuation of a portion of benefits in the form of cash for program participants and retailers; and

(E) an examination of such other factors as the Secretary determines to be relevant.

(2) REPORT.—Not later than 18 months after the date of enactment of this Act, the Secretary shall submit to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate, a report that describes the results of the review conducted under this subsection.

(3) REGULATION.—

(A) IN GENERAL.—Except as provided in subparagraph (B), and notwithstanding the second sentence of subsection (b)(1)(B)(i), the Secretary shall disapprove any plan submitted pursuant to subsection (b)(1)(A)—

(i) for fiscal year 2017 that provides for the distribution of more than 20 percent of the nutrition assistance benefit of a participant in the form of cash;

(ii) for fiscal year 2018 that provides for the distribution of more than 15 percent of the nutrition assistance benefit of a participant in the form of cash;

(iii) for fiscal year 2019 that provides for the distribution of more than 10 percent of the nutrition assistance benefit of a participant in the form of cash;

(iv) for fiscal year 2020 that provides for the distribution of more than 5 percent of the nutrition assistance benefit of a participant in the form of cash; and

(v) for fiscal year 2021 that provides for the distribution of any portion of the nutrition assistance benefit of a participant in the form of cash.

(B) EXCEPTION.—Notwithstanding subparagraph (A), the Secretary, informed by the report required under paragraph (2), may approve a plan that exempts participants

or categories of participants if the Secretary determines that discontinuation of benefits in the form of cash is likely to have significant adverse effects.

(4) FUNDING.—Out of any funds made available under section 18 for fiscal year 2014, the Secretary shall make available to carry out the review and report described in paragraphs (1) and (2) \$1,000,000, to remain available until expended.

#### WORKFARE

SEC. 20. [7 U.S.C. 2029] (a)(1) The Secretary shall permit any political subdivision, in any State, that applies and submits a plan to the Secretary in compliance with guidelines promulgated by the Secretary to operate a workfare program pursuant to which every member of a household participating in the supplemental nutrition assistance program who is not exempt by virtue of the provisions of subsection (b) of this section shall accept an offer from such subdivision to perform work on its behalf, or may seek an offer to perform work, in return for compensation consisting of the allotment to which the household is entitled under section 8(a) of this Act, with each hour of such work entitling that household to a portion of its allotment equal in value to 100 per centum of the higher of the applicable State minimum wage or the Federal minimum hourly rate under the Fair Labor Standards Act of 1938 [(29 U.S.C. 201 et seq.)].

(2)(A) The Secretary shall promulgate guidelines pursuant to paragraph (1) which, to the maximum extent practicable, enable a political subdivision to design and operate a workfare program under this section which is compatible and consistent with similar workfare programs operated by the subdivision.

(B) A political subdivision may comply with the requirements of this section by operating any workfare program which the Secretary determines meets the provisions and protections provided under this section.

(b) A household member shall be exempt from workfare requirements imposed under this section if such member is—

(1) exempt from section 6(d)(1) as the result of clause (B), (C), (D), (E), or (F) of section 6(d)(2);

(2) at the option of the operating agency, subject to and currently actively and satisfactorily participating at least 20 hours a week in a work activity required under title IV of the Social Security Act (42 U.S.C. 601 et seq.);

(3) mentally or physically unfit;

(4) under sixteen years of age;

(5) sixty years of age or older; or

(6) a parent or other caretaker of a child in a household in which another member is subject to the requirements of this section or is employed fulltime.

(c) No operating agency shall require any participating member to work in any workfare position to the extent that such work exceeds in value the allotment to which the household is otherwise entitled or that such work, when added to any other hours worked during such week by such member for compensation (in cash or in kind) in any other capacity, exceeds thirty hours a week.

(d) The operating agency shall—

(1) not provide any work that has the effect of replacing or preventing the employment of an individual not participating in the workfare program;

(2) provide the same benefits and working conditions that are provided at the job site to employees performing comparable work for comparable hours; and

(3) reimburse participants for actual costs of transportation and other actual costs all of which are reasonably necessary and directly related to participation in the program but not to exceed \$25 in the aggregate per month.

(e) The operating agency may allow a job search period, prior to making workfare assignments, of up to thirty days following a determination of eligibility.

(f) **DISQUALIFICATION.**—An individual or a household may become ineligible under section 6(d)(1) to participate in the supplemental nutrition assistance program for failing to comply with this section.

(g)(1) The Secretary shall pay to each operating agency 50 per centum of all administrative expenses incurred by such agency in operating a workfare program, including reimbursements to participants for work-related expenses as described in subsection (d)(3) of this section.

(2)(A) From 50 per centum of the funds saved from employment related to a workfare program operated under this section, the Secretary shall pay to each operating agency an amount not to exceed the administrative expenses described in paragraph (1) for which no reimbursement is provided under such paragraph.

(B) For purposes of subparagraph (A), the term “funds saved from employment related to a workfare program operated under this section” means an amount equal to three times the dollar value of the decrease in allotments issued to households, to the extent that such decrease results from wages received by members of such households for the first month of employment beginning after the date such members commence such employment if such employment commences—

(i) while such members are participating for the first time in a workfare program operated under this section; or

(ii) in the thirty-day period beginning on the date such first participation is terminated.

(3) The Secretary may suspend or cancel some or all of these payments, or may withdraw approval from a political subdivision to operate a workfare program, upon a finding that the subdivision has failed to comply with the workfare requirements.

**[SEC. 21. [7 U.S.C. 2030] DEMONSTRATION OF FAMILY INDEPENDENCE PROGRAM.<sup>18</sup>]**

MINNESOTA FAMILY INVESTMENT PROJECT

**SEC. 22. [7 U.S.C. 2031] (a) IN GENERAL.—**

(1) Subject to paragraph (2), upon written application of the State of Minnesota that complies with this section and sections 6 to 11, 13, 130, and 132 of article 5 of 282 of the 1989

<sup>18</sup>Sec. 4115(b)(14) of the Food, Conservation, and Energy Act of 2008 (P.L. 110-246; 122 Stat. 1870) repealed section 21.

Laws of Minnesota, and after approval of such application by the Secretary in accordance with subsections (b) and (d), the State may implement a family investment demonstration project (hereinafter in this section referred to as the Project) in parts of the State to determine whether the Project more effectively helps families to become self-supporting and enhances their ability to care for their children than do the supplemental nutrition assistance program and programs under parts A and F of title IV of the Social Security Act. The State may provide cash payments under the Project, subject to paragraph (2), that replace assistance otherwise available under the supplemental nutrition assistance program and under part A of title IV of the Social Security Act.

(2) The Project may be implemented only in accordance with this section and only if the Secretary of Health and Human Services approves an application submitted by the State permitting the State to include in the Project families who are eligible to receive benefits under part A of title IV of the Social Security Act.

(b) REQUIRED TERMS AND CONDITIONS OF THE PROJECT.—The application submitted by the State under subsection (a) shall provide an assurance that the Project shall satisfy all of the following requirements:

(1) Only families may be eligible to receive assistance and services through the Project.

(2) Participating families, families eligible for or participating in the program authorized under part A of title IV of the Social Security Act or the supplemental nutrition assistance program that are assigned to and found eligible for the Project, and families required to submit an application for the Project that are found eligible for the Project shall be ineligible to receive benefits under the supplemental nutrition assistance program.

(3)(A) Subject to the provisions of this paragraph and any reduction imposed under subsection (c)(3) of this section, the value of assistance provided to participating families shall not be less than the aggregate value of the assistance such families could receive under the supplemental nutrition assistance program and part A of title IV of the Social Security Act if such families did not participate in the Project.

(B) For purposes of satisfying the requirement specified in subparagraph (A)—

(i) payments for child care expenses under the Project shall be considered part of the value of assistance provided to participating families with earnings;

(ii) payments for child care expenses for families without earnings shall not be considered part of the value of assistance provided to participating families or the aggregate value of assistance that such families could have received under the supplemental nutrition assistance program and part A of title IV of the Social Security Act; and

(iii) any child support payments not assigned to the State under the provisions of part A of title IV of the Social Security Act, less \$50 per month, shall be considered

part of the aggregate value of assistance participating families would receive if such families did not participate in the Project;

(C) For purposes of satisfying the requirement specified in subparagraph (A), the State shall—

(i) identify the sets of characteristics indicative of families that might receive less assistance under the Project;

(ii) establish a mechanism to determine, for each participating family that has a set of characteristics identified under clause (i) whether such family could receive more assistance, in the aggregate, under the supplemental nutrition assistance program and part A of title IV of the Social Security Act if such family did not participate in the project;

(iii) increase the amount of assistance provided under the Project to any family that could receive more assistance, in the aggregate, under the supplemental nutrition assistance program and part A of title IV of the Social Security Act if such family did not participate in the Project, so that the assistance provided under the Project to such family is not less than the aggregate amount of assistance such family could receive under the supplemental nutrition assistance program and part A of title IV of the Social Security Act if such family did not participate in the Project; and

(iv) increase the amount of assistance paid to participating families, if the State or locality imposes a sales tax on food, by the amount needed to compensate for the tax.

This subparagraph shall not be construed to require the State to make the determination under clause (ii) for families that do not have a set of characteristics identified under clause (i).

(D)(i) The State shall designate standardized amounts of assistance provided as food assistance under the Project and notify monthly each participating family of such designated amount.

(ii) The amount of food assistance so designated shall be at least the value of benefits such family could have received under the supplemental nutrition assistance program if the Project had not been implemented. The provisions of this subparagraph shall not require that the State make individual determinations as to the amount of assistance under the Project designated as food assistance.

(iii) The State shall periodically allow participating families the option to receive such food assistance in the form of benefits.

(E)(i) Individuals ineligible for the Project who are members of a household including a participating family shall have their eligibility for the supplemental nutrition assistance program determined and have their benefits calculated and issued following the standards established under the supplemental nutrition assistance program, except as provided differently in this subparagraph.

(ii) The State agency shall determine such individuals' eligibility for benefits under the supplemental nutrition assist-

ance program and the amount of such benefits without regard to the participating family.

(iii) In computing such individuals' income for purposes of determining eligibility (under section 5(c)(1)) and benefits, the State agency shall apply the maximum excess shelter expense deduction specified under section 5(e).

(iv) Such individuals' monthly allotment shall be the higher of \$10 or 75 percent of the amount calculated following the standards of the supplemental nutrition assistance program and the foregoing requirements of this subparagraph, rounded to the nearest lower whole dollar.

(4) The Project shall include education, employment, and training services equivalent to those offered under the employment and training program described in section 6(d)(4) to families similar to participating families elsewhere in the State.

(5) The State may select families for participation in the Project through submission and approval of an application for participation in the Project or by assigning to the Project families that are determined eligible for or are participating in the program authorized by part A of title IV of the Social Security Act or the supplemental nutrition assistance program.

(6) Whenever selection for participation in the Project is accomplished through submission and approval of an application for the Project—

(A) the State shall promptly determine eligibility for the Project, and issue assistance to eligible families, retroactive to the date of application, not later than thirty days following the family's filing of an application;

(B) in the case of families determined ineligible for the Project upon application, the application for the Project shall be deemed an application for the supplemental nutrition assistance program, and benefits under the supplemental nutrition assistance program shall be issued to those found eligible following the standards established under the supplemental nutrition assistance program;

(C) expedited benefits shall be provided under terms no more restrictive than under paragraph (9) of section 11(e) and the laws of Minnesota and shall include expedited issuance of designated food assistance provided through the Project or expedited benefits through the supplemental nutrition assistance program;

(D) each individual who contacts the State in person during office hours to make what may reasonably be interpreted as an oral or written request to receive financial assistance shall receive and shall be permitted to file an application form on the same day such contact is first made;

(E) provision shall be made for telephone contact by, mail delivery of forms to and mail return of forms by, and subsequent home or telephone interview with, elderly individuals, physically or mentally handicapped individuals, and individuals otherwise unable to appear in person solely because of transportation difficulties and similar hardships;

(F) a family may be represented by another person if the other person has clearly been designated as the representative of such family for that purpose and the representative is an adult who is sufficiently aware of relevant circumstances, except that the State may—

(i) restrict the number of families who may be represented by such person; and

(ii) otherwise establish criteria and verification standards for representation under this subparagraph; and

(G) the State shall provide a method for reviewing applications to participation in the Project submitted by, and distributing assistance under the Project to, families that do not reside in permanent dwellings or who have no fixed mailing address.

(7) Whenever selection for participation in the Project is accomplished by assigning families that are determined eligible for or participating in the program authorized by part A of title IV of the Social Security Act or the supplemental nutrition assistance program—

(A) the State shall provide eligible families assistance under the Project no later than benefits would have been provided following the standards established under the supplemental nutrition assistance program; and

(B) the State shall ensure that assistance under the Project is provided so that there is no interruption in benefits for families participating in the program under part A of title IV of the Social Security Act or the supplemental nutrition assistance program.

(8) Paragraphs (1)(B) and (8) of section 11(e) shall apply with respect to applicants and participating families in the same manner as such paragraphs apply with respect to applicants and participants in the supplemental nutrition assistance program.

(9) Assistance provided under the Project shall be reduced to reflect the pro rata value of any benefits received under the supplemental nutrition assistance program for the same period.

(10)(A) The State shall provide each family or family member whose participation in the Project ends and each family whose participation is terminated with notice of the existence of the supplemental nutrition assistance program and the person or agency to contact for more information.

(B)(i) Following the standards specified in subparagraph (C), the State shall ensure that benefits under the supplemental nutrition assistance program are provided to participating families in case the Project is terminated or to participating families or family members that are determined ineligible for the Project because of income, resources, or change in household composition, if such families or individuals are determined eligible for the supplemental nutrition assistance program. Benefits shall be issued to eligible families and individuals described in this clause retroactive to the date of termination from the Project; and

(ii) If sections 256.031 through 256.036 of the Minnesota Statutes, 1989 Supplement, or Minnesota Laws 1989, chapter 282, article 5, section 130, are amended to reduce or eliminate benefits provided under those sections or restrict the rights of Project applicants or participating families, the State shall exclude from the Project applicants or participating families or individuals affected by such amendments and follow the standards specified in subparagraph (C), except that the State shall continue to pay from State funds an amount equal to the food assistance portion to such families and individuals until the State determines eligibility or ineligibility for the supplemental nutrition assistance program or the family or individual has failed to supply the needed additional information within ten days. Food benefits shall be provided to families and individuals excluded from the Project under this clause who are determined eligible for the supplemental nutrition assistance program retroactive to the date of the determination of eligibility. The Secretary shall pay to the State the value of the benefits for which such families and individuals would have been eligible in the absence of food assistance payments under this clause from the date of termination from the Project to the date benefits are provided.

(C) Each family whose Project participation is terminated shall be screened for potential eligibility for the supplemental nutrition assistance program and if the screening indicates potential eligibility, the family or family member shall be given a specific request to supply all additional information needed to determine such eligibility and assistance in completing a signed supplemental nutrition assistance program application including provision of any relevant information obtained by the State for purpose of the Project. If the family or family member supplies such additional information within ten days after receiving the request, the State shall, within five days after the State receives such information, determine whether the family or family member is eligible for the supplemental nutrition assistance program. Each family or family member who is determined through the screening or otherwise to be ineligible for the supplemental nutrition assistance program shall be notified of that determination.

(11) Section 11(e)(10) shall apply with respect to applicant and participating families in the same manner as such paragraph applies with respect to applicants and participants in the supplemental nutrition assistance program, except that families shall be given notice of any action for which a hearing is available in a manner consistent with the notice requirements of the regulations implementing sections 402(a)(4) and 482(h) of the Social Security Act.

(12) For each fiscal year, the Secretary shall not be liable for any costs related to carrying out the Project in excess of those that the Secretary would have been liable for had the Project not been implemented, except for costs for evaluating the Project, but shall adjust for the full amount of the federal share of increases or decreases in costs that result from changes in economic, demographic, and other conditions in the

State based on data specific to the State, changes in eligibility or benefit levels authorized by this Act or changes in amounts of Federal funds available to States and localities under the supplemental nutrition assistance program.

(13) The State shall carry out the supplemental nutrition assistance program throughout the State while the State carries out the Project.

(14)(A) Except as provided in subparagraph (B), the State will carry out the Project during a five-year period beginning on the date the first family receives assistance under the Project.

(B) The Project may be terminated—

(i) by the State one hundred and eighty days after the State gives notice to the Secretary that it intends to terminate the Project;

(ii) by the Secretary one hundred and eighty days after the Secretary, after notice and an opportunity for a hearing, determines that the State materially failed to comply with this section; or

(iii) whenever the State and the Secretary jointly agree to terminate the Project.

(15) Not more than six thousand families may participate in the Project simultaneously.

(c) ADDITIONAL TERMS AND CONDITIONS OF THE PROJECT.—The Project shall be subject to the following additional terms and conditions:

(1) The State may require any parent in a participating family to participate in education, employment, or training requirements unless the individual is a parent in a family with one parent who—

(A) is ill, incapacitated, or sixty years of age or older;

(B) is needed in the home because of the illness or incapacity of another family member;

(C) is the parent of a child under one year of age and is personally providing care for the child;

(D) is the parent of a child under six years of age and is employed or participating in education or employment and training services for twenty or more hours a week;

(E) works thirty or more hours a week or, if the number of hours worked cannot be verified, earns at least the Federal minimum hourly wage rate multiplied by thirty per week; or

(F) is in the second or third trimester of pregnancy.

(2) The State shall not require any parent of a child under six years of age in a participating family with only one parent to be employed or participate in education or employment and training services for more than twenty hours a week.

(3) For any period during which an individual required to participate in education, employment, or training requirements fails to comply without good cause with a requirement imposed by the State under paragraph (1), the amount of assistance to the family under the Project may be reduced by an amount not more than 10 percent of the assistance the family would be eligible for with no income other than that from the Project.

## (d) FUNDING.—

(1) If an application submitted under subsection (a) complies with the requirements specified in subsection (b), then the Secretary shall—

(A) approve such application; and

(B) subject to subsection (b)(12) from the funds appropriated under this Act provide grant awards and pay the State each calendar quarter for—

(i) the cost of food assistance provided under the Project equal to the amount that would have otherwise been issued in the form of benefits under the supplemental nutrition assistance program had the Project not been implemented, as estimated under a methodology satisfactory to the Secretary after negotiations with the State; and

(ii) the administrative costs incurred by the State to provide food assistance under the Project that are authorized under subsections (a), (g), (h)(2), and (h)(3) of section 16 equal to the amount that otherwise would have been paid under such subsections had the Project not been implemented, as estimated under a methodology satisfactory to the Secretary after negotiations with the State: *Provided*, That payments made under subsection (g) of section 16 shall equal payments that would have been made if the Project had not been implemented.

(2) The Secretary shall periodically adjust payments made to the State under paragraph (1) to reflect—

(A) the cost of benefits issued to individuals ineligible for the Project specified in subsection (b)(3)(E) in excess of the amount that would have been issued to such individuals had the Project not been implemented, as estimated under a methodology satisfactory to the Secretary after negotiations with the State; and

(B) the cost of benefits issued to families exercising the option specified in subsection (b)(3)(D)(iii) in excess of the amount that would have been issued to such individuals had the Project not been implemented, as estimated under a methodology satisfactory to the Secretary after negotiations with the State.

(3) Payments under paragraph (1)(B) shall include adjustments, as estimated under a methodology satisfactory to the Secretary after negotiations with the State, for increases or decreases in the costs of providing food assistance and associated administrative costs that result from changes in economic, demographic, or other conditions in the State based on data specific to the State, changes in eligibility or benefit levels authorized by this Act and changes in or additional amounts of Federal funds available to States and localities under the supplemental nutrition assistance program.

(e) WAIVER.—With respect to the Project, the Secretary shall waive compliance with any requirement contained in this Act (other than this section) that, if applied, would prevent the State from carrying out the Project or effectively achieving its purpose.

(f) PROJECT AUDITS.—The Comptroller General of the United States shall—

(1) conduct periodic audits of the operation of the Project to verify the amounts payable to the State from time to time under subsection (d); and

(2) submit to the Secretary, the Secretary of Health and Human Services, the Committee on Agriculture of the House of Representatives, and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report describing the results of each such audit.

(g) CONSTRUCTION.—(1) For purposes of any Federal, State, or local law other than part A of title IV of the Social Security Act or this Act—

(A) cash assistance provided under the Project that is designated as food assistance by the State shall be treated in the same manner as benefits allotments under the supplemental nutrition assistance program are treated; and

(B) participating families shall be treated in the same manner as participants in the supplemental nutrition assistance program are treated.

(2) Nothing in this section shall—

(A) allow payments made to the State under the Project to be less than the amounts the State and eligible households within the State would have received if the Project had not been implemented; or

(B) require the Secretary to incur costs as a result of the Project in excess of costs that would have been incurred if the Project had not been implemented, except for costs for evaluation.

(h) QUALITY CONTROL.—Participating families shall be excluded from any sample taken for purposes of making any determination under section 16(c). For purposes of establishing the total value of allotments under section 16(c)(1), benefits and the amount of federal liability for food assistance provided under the Project as limited by subsection (b)(12) of this section shall be treated as allotments issued under the supplemental nutrition assistance program.

(i) EVALUATION.—(1) The State shall develop and implement a plan for an independent evaluation designed to provide reliable information on Project impacts and implementation. The evaluation will include treatment and control groups and will include random assignment of families to treatment and control groups in an urban setting. The evaluation plan shall satisfy the evaluation concerns of the Secretary of Agriculture such as effects on benefits to participants, costs of the Project, payment accuracy, administrative consequences, any reduction in welfare dependency, any reduction in total assistance payments, and the consequences of cash payments on household expenditures, and food consumption. The evaluation plan shall take into consideration the evaluation requirements and administrative obligations of the State. The evaluation will measure the effects of the Project in regard to goals of increasing family income, prevention of long-term dependency, movement toward self-support, and simplification of the welfare system.

(2) The State shall pay 50 percent of the cost of developing and implementing such plan and the Federal Government shall pay the remainder.

(j) DEFINITIONS.—For purposes of this section, the following definitions apply:

(1) The term “family” means the following individuals who live together: a minor child or a group of minor children related to each other as siblings, half siblings, stepsiblings, or adopted siblings, together with their natural or adoptive parents, or their caregiver.
