**The 4 Healthy Moves**

Have a blast while caring for those you love by making these 4 Healthy Moves part of all your summer celebrations. Your kids will learn healthy habits as they eat smart, exercise, and have fun.

**DRINK SMART TO PLAY HARD**

Choose drinks with less added sugar. Teach kids how to recognize drinks that are high in added sugars. Encourage them to choose water instead of sugar-sweetened beverages. Kids should drink 2 to 3 cups of low-fat (1%) or fat-free milk a day, depending on age.

**CHOOSE MORE FRUITS & VEGGIES**

Offer kids fruits and vegetables during meals and snacks. Try new fruits and veggies together as a family.

**LIMIT SCREEN TIME**

Help kids discover fun ways to stay busy and active this summer. Limit TV and video game time to no more than 1-2 hours a day.

**GET ACTIVE**

Kids need at least 60 minutes of moderate to vigorous physical activity each day. Help your family get moving with games, dancing, and more.

**Games and Activities To Get the Whole Family Moving**

These classic picnic games are a great way to get family members involved in the party!

**Sack Race:**

Provide pillowcases, burlap sacks, or garbage bags. Players have to step into the sacks, hold them up with their hands, and hop across to a finish line.

**Toy Hoop Contest:**

See who can go the longest.

**Jump Rope Sing-Along:**

You may be surprised at the jump-rope rhymes that you remember, even as an adult! Teach each other jump-rope rhymes while jumping along.

**Disc Golf:**

Put toy hoops down on different locations on the ground as “goals.” Players have to toss their discs at the hoops. Players get 5 points for landing inside the hoop, 2 points for landing on the edge of the hoop, and 1 point for landing within a step of the hoop. Set up obstacles and toss discs from farther away to make it more challenging. The first person to get to 20 points wins.
